Nancy Fichtman Dana

Fractured Fairy Tales A. J. Jacobs, 1997 Collection of humorous stories in which traditional fairy tales are transformed into wacky parables filled with puns, wit and irony, and twisted to have silly and unexpected endings.

How to Write a Fractured Fairy Tale Nel Yomtov, 2013-08-01 This book teaches readers how to plan and write fractured fairy tales. They will discover what a fractured fairy tale is, how to prepare a plot outline, develop characters, revise and edit the story, and write a final draft of the narrative. A variety of activities provide hints and tips along the way to support the development of characters, clear event sequences, plot elements, and the overall creative writing process.

Less Is More in Elementary School Renee Rubin, Michelle Abrego, John Sutterby, 2014-10-10 In this era of rigorous standards, testing, and overcrowded curricula, many teachers are left wondering how they're ever going to cover the material. *Less Is More in Elementary School* offers realistic solutions by providing ways teachers can streamline their curriculum, get the most out of assessment, communicate with families, and engage students in their own learning. This much-needed book will help you meet the demands of the Common Core more efficiently and effectively. You'll learn how to... integrate the curriculum so that you can take time to slow down and explore topics in depth; help students become critical readers, problem solvers, collaborators, and communicators; make students more engaged, reflective, and self-regulating; get the most out of assessment during this era of high-stakes testing; maintain high expectations for all students but modify instruction to ensure all students progress; communicate more effectively with families to build trust during a time of change and high-stakes assessments; and overcome obstacles, such as the emphasis on testing, the need for more technology, and finding teacher collaboration time. Each chapter is filled with practical strategies that you can implement immediately, as well as suggested resources for learning more about a particular topic.

The Common Core Companion: Booster Lessons, Grades 3-5 Leslie Blauman, 2015-07-14 Skill-building through potent instruction, day by day In these much-anticipated sequels to *The Common Core Companion*, Janiel Wagstaff and Leslie Blauman provide a collection of connected lessons and formative writing assessments that bring Monday-to-Friday clarity to the task of integrating reading and writing with ELA standards. In each volume, the 50+ lessons are divided into five, week-long learning sequences addressing key literacy goals. A best-practice glossary, If/Then charts, unit-planning calendars, and other tools round out these essential references, both in book and online. Follow each sequence and week by week, you'll

build the instructional potency to help students achieve a year's worth of growth as you integrate: Writing Narratives with Identifying Sensory Words in Text Research with Identifying Topic and Details Opinion Writing with Close Reading for Text Evidence Comparing and Contrasting with Publishing Using Digital Tools Informative Writing with Use of Text Features

Digging Deeper Into Action Research Nancy Fichtman Dana, 2013-02-05 Take your great idea to the next level with action research How--and when--can we find time to conduct meaningful action research? Great ideas and thought-provoking questions can only blossom through methodical inquiry. Nancy Fichtman Dana steps in as your action-research coach and leads you on a journey through wonderings to real change in your classroom. From framing your question to presenting your research, this guide will encourage, challenge, and ultimately lead you through the action research process. Teachers, students, and action-research coaches alike will learn how to: * Reframe initial wonderings into pointed inquiries* Creatively analyze both qualitative and quantitative data* Draw action-research topics out of ordinary discussions with colleagues* Share findings with others to help them improve as well With real-life vignettes, self-guided worksheets, and an included DVD, *Digging Deeper into Action Research* is your go-to guide each time you embark on a new journey toward professional growth. This field guide will undoubtedly make a valuable contribution to the larger project of practitioners engaged in the work of reflecting on, studying, and interrogating their own practice in order ultimately to improve the social life of classrooms and the learning opportunities and life chances of children.--Marilyn Cochran-Smith, Cawthorne Professor of Teacher Education Boston College This is THE book to read for any educator who ever found themselves asking, 'What just happened?!?' If you like finding your own solutions to your teaching problems, this is the key to your freedom and to satisfaction in your teaching career!--Mary K. Culver, Associate Clinical Professor Northern Arizona University
