**Marcel A. Müller**

**Before U Bloom** Lt. Dr. Sunita Bhosle, 2020-11-11 Before U Bloom is a heartfelt and wise journey of hope and wisdom that will teach you the hidden power of your own thought processes as the source of flourishing into the life you really want. ~ Steve Chandler Author of Time Warrior About the Book: Do you think that someone will come and tell you the secrets for success in your ear? Or will someone give you a 'How to groom yourself' checklist before introducing you to the world? People may share such tips, but they always reserve their key points or 'secrets,' which they don't share. It is not easy for everyone to get to the top, but here comes a treasure box of secrets of success. The title of the book Before U Bloom is, alludes to a flower bud that prepares itself in attaining the perfect colour, shape, size, and fragrance before it blooms. Similarly, before entering the practical, outer world, you must prepare yourself internally. The book is a set of directions to make your journey smoother, and your life flawless. Just follow these golden rules, which are just like beautiful petals of a flower and bloom in the world with full confidence and passion.

**The Museum of You** Carys Bray, 2016-06-16 Clover Quinn was a surprise. She used to imagine she was the good kind, now she's not sure. She'd like to ask Dad about it, but growing up in the saddest chapter of someone else's story is difficult. She tries not to skate on the thin ice of his memories. Darren has done his best. He's studied his daughter like a seismologist on the lookout for waves and surrounded her with everything she might want - everything he can think of, at least - to be happy. What Clover wants is answers. This summer, she thinks she can find them in the second bedroom, which is full of her mother's belongings. Volume isn't important, what she is looking for is essence; the undiluted bits: a collection of things that will tell the full story of her mother, her father and who she is going to be. But what you find depends on what you're searching for.

Way of the Witch Kim Richardson, 2023-12-11 They don't want Shay. They want you. Okay, so these were not the words I was expecting, coming from my angel father Matiel's mouth. But here they were. The Assassins' Guild of Angels wants me dead. Fantastic. I mean, what's a witch gotta do to catch a break these days? I can't even go for a leisurely stroll without someone trying to off me. Worse, I have no idea why they're hunting me. But you know what they say: When life gives you lemons, make lemonade. And I've got a whole lot of lemons to work with. I may not be an angel like my father, but I've got a few tricks up my sleeve too. Especially when it comes to saving my own skin. Do I run and hide from these angel assassins?

Nope. I'm going to face them head-on and fight. Non-stop action and laugh out loud funny. Way of the Witch is perfect for fans of urban fantasy, mystery, slow-burn romance, and humor. Start the adventure today and escape into this world of magic, romance, and mystery!

*BOOMER BYTES & BUMMER RITES* Neerja Singh, 2022-11-28 Generation gap! The stakes have never been higher. At least five generations co-exist in a state of uneasy truce today. No one seems to hear the other. For the first time in mankind's history, their differences in preferences, priorities and prejudices have become tangible. The resulting grief is hurting our collective emotional and mental health. Generations are meant to be keepers of each other, they are the continuum of human survival, repositories of life's DNA. But for that to happen, there has to be a fundamental generational benevolence and that is no longer a given. How do we begin to change this headache into a help? The first step is to appreciate what lies behind the assumptions about each other. Why is a Boomer not ok anymore? What limitations, latitudes and legacies defined this cohort? This book invites the Millennials, Gen Z and Gen Alpha to look at life through a Boomer's bitter-funny lens.
