**52 Quotes to live by** by Zett Why, 2012 52 Quotes to Live By is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things. Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.

*The Encyclopedia of Best Films* by Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively

evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Hanging in the Stars Pat Gallagher Sassone, 2012 Andrew, a skinny ninth grader, is determined to kick his own butt into shape. At home he is dominated by an ambitious, no nonsense single mother. She is focused on her daughter Ally, a scholar athlete in soccer, who is competing to get into an Ivy League college. Andrew longs to break away from his mother's constant micromanagement of his life. During a workout in the gym, Andrew seizes an opportunity to toughen up when he accepts an offer from Cruz, a muscular drug dealing biker. Cruz offers to help Andrew get in shape if he will tutor Maya, Cruz's thirteen year old sister. When Andrew and Maya meet in the park to work on a Romeo and Juliet assignment, they are drawn to each other. He is attracted to the spontaneous, sexy, dark eyed beauty while she is infatuated by Andrew's intelligence and his cute, unassuming goodness. To find themselves and hold on to each other, Andrew and Maya must struggle to survive in a

violent world with contrasting cultures. This is a tremendously powerful book, filled with action, memorable characters, heartbreaking conflict and feeling. Cindy Trumbore, author of *The Mangrove Tree* and *The Genie in the Book*

Colonial Taiwan Pei-yin Lin, 2017-04-03 This book offers a thorough and thought-provoking study on the impact of Japanese colonialism on Taiwan's literary production from the 1920s to 1945. It redresses the previous nationalist and Japan-centric interpretations of works from Taiwan's Japanese period, and eschews a colonizer/colonized dichotomy. Through a highly sensitive textual analysis and contextual reading, this chronologically structured book paints a multi-layered picture of colonial Taiwan's literature, particularly its multi-styled articulations of identities and diverse visions of modernity. By engaging critically with current scholarship, Lin has written with great sentiment the most complete history of the colonial Taiwanese literary development in English.

**Understanding Romeo and Juliet** Alan Hager, 1999-10-30 Offers a literary analysis of the classic play and includes discussions of its performance history, historical context, and modern interpretations. Hager (English, the State University of New York-Cortland) draws from both historical and contemporary materials to examine the classic play from many

perspectives. He explores subjects as specific as copycat suicide based on fictional models, and as general as the nature of vendetta and group violence. Following a literary analysis, there are commentary and primary documents on its narrative backgrounds, and discussions of its performance history, historical context, and modern interpretations such as the recent film with Leonardo DiCaprio. The tragic love story of Romeo and Juliet has touched the hearts of young and old for nearly four hundred years. In this work, Alan Hager has compiled a rich collection of primary and contemporary materials ranging from information about the earliest performances of Romeo and Juliet to discussions of suicide in the 1990s. Designed to help students of the play, *Understanding Romeo and Juliet* highlights many different aspects of the play's context. Such aspects include a discussion about religions of love in the East and West, an examination of vendetta and collective violence, and an analysis of the play in the context of classical and medieval thought. Hager relates the work to issues as recent as the so-called Werther Syndrome (copycat suicide based on fictional models) and as remote as the notion of reincarnated love such as that of Rama and Sita in the Sanskrit epic Ramayana.
