Peace Be with You David Carlson, 2011-08-01 "If revenge and retaliation are the best responses that our nation could muster after 9/11, then Jesus did not have to come, live among us, and preach a radical understanding of 'neighbor' that includes the enemy." In the wake of the ten-year anniversary of 9/11, as tensions rise between Christians and Muslims, author and religious studies professor David Carlson seeks guidance in the modern-day deserts of monastic communities across America. Are Christianity and Islam destined to confront one other as clashing civilizations? *Peace Be with You: Monastic Wisdom for a Terror-Filled World* clearly answers "No." *Peace Be With You* is the result of more than thirty interviews with abbots, nuns, monks, and other seekers at monasteries and retreat centers. Carlson reveals the untapped wisdom of these men and women in their own words as they speak with hope to a suffering world. Follow the author on this personal, moving, and at times difficult journey, and discover a new yet ancient basis for genuine peace between Christianity and other religions—especially Islam. "It is time for Christians to use their power to change the conversation," Carlson says, "to ponder Jesus' command to treat the stranger as our neighbor and to treat our neighbor not only as ourselves, but as God in our midst." As Carlson reminds us, there is another thing stirring around the world. There is a movement of extremists for love and for grace that have been singing a different song." —Shane Claiborne "One of the richest, most insightful, and most instructive books I have ever read on the business of living the Christian life fully, biblically, faithfully, and non-dogmatizedly." —Phyllis Tickle

**Diary of the Beloved** Alesa Acorn, 2011-05-26 At 13 years old, Catherine Hepburn is described by her friends as the prettiest girl in the county. However, the description favoured by her family is that of a good girl with big ears. In fact, her mother and housekeeper often take the time to help Catherine style her hair in a manner to help hide her big ears. Gifted by her Uncle Nicholas with a diary one Christmas, Catherine begins to record in it the events and circumstances involving the lives of her family and friends. Unknowingly, she records the events of the Hidden, children of noble birth who are hidden in common households until they are of an age to inherit their nobility. At 25 years old, trying to realize her dream as the CEO and Founder of the National Paralegal Foundation is a daunting task for Simone Devereaux. Her days are spent caring for

her mother who suffers from a hereditary mental disorder. Her nights are spent in the arms of her fianc, District Attorney Jacque Parker and her lover, trust attorney Wolf Carlyle. On the death of her grandfather, Simone inherits his private library which contains an extensive collection of books known as the Diary of the Beloved written by Catherine Hepburn, her mother's college roommate. As she reads the diaries to her mother, soon it becomes clear to Simone that Catherine's diaries hold the secrets of the Hidden, children of noble birth who are hidden amongst commoners until they are of an age to inherit their nobility. With the help of her fianc and her lover, Simone must learn the identities of the hidden in order to save the life of her mother.
