

The Grin Of The Dark

Karin Nielsen-Saines

The Grin of the Dark Ramsey Campbell, 2008-07-08 A former professor offers disgraced film critic Simon the chance to write a book on Tubby Thackeray, a long-lost comedian of the silent-film era. Simon is determined to find out the truth behind the jolly fat man's disappearance from film--and from the world.

The Year of the French Thomas Flanagan, 2012-11-14 Winner of the National Book Critics Award for Fiction This "classic of historical fiction" takes readers to 18th-century Ireland when French troops supported Irish rebels in their struggle for independence from Britain (The Times, London). In 1798, Irish patriots, committed to freeing their country from England, landed with a company of French troops in County Mayo, in westernmost Ireland. They were supposed to be an advance guard, followed by other French ships with the leader of the rebellion, Wolfe Tone. Briefly they triumphed, raising hopes among the impoverished local peasantry and gathering a group of supporters. But before long the insurgency collapsed in the face of a brutal English counterattack. Very few books succeed in registering the sudden terrible impact of historical events; Thomas Flanagan's is one. Subtly conceived, masterfully paced, with multiple narrators and a wide and memorable cast of characters, *The Year of the French* brings to life peasants and landlords, Protestants and Catholics, along with old and abiding questions of secular and religious commitments, empire, occupation, and rebellion. It is quite simply a great historical novel. "I haven't so enjoyed a historical novel since *The Charterhouse of Parma* and *War and Peace*." — John Leonard, *The New York Times*

The Chart of Tomorrows Chris Willrich,2015-07-07 The poet Persimmon Gaunt and the thief Imago Bone had sought only to retire from adventuring and start a family, but they never reckoned on their baby becoming the chosen vessel of the mystical energies of a distant Eastern land. With their son Innocence hunted by various factions hoping to use him as a tool, they kept him safe at the cost of trapping him in a pocket dimension of accelerated time. Now free, the thirteen-year-old Innocence has rejected his parents and his destiny and has made dangerous friends in a barbaric Western land of dragon-prowed ships and rugged fjords. Desperately, Gaunt and Bone seek to track him down, along with their companion Snow Pine and her daughter A-Girl-Is-A-Joy, who was once trapped with Innocence too. But as the nomadic Karvaks and their war-balloons strike west, and a troll-king spins his webs, and Joy is herself chosen by the spirit of the very land Innocence has fled to, Gaunt and Bone find themselves at the heart of a vast struggle -- and their own son is emerging from that conflict as a force of evil. To save him and everything they know, they turn to a dangerous magical book, *The Chart of Tomorrows*, that reveals pathways through time. Upon the treacherous seas of history, Gaunt and Bone must face the darkness in each other's pasts, in order to rescue their future.

Thank you for downloading **The Grin Of The Dark**. Maybe you have knowledge that, people have look hundreds times for their favorite readings like this *The Grin Of The Dark*, but end up in infectious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some malicious bugs inside their desktop computer.
