Sunshine Princess

Prey Of The Lycan Queen Jessica Hall,2023-10-15 What was once a game of life and death is now a game of power and revenge. The tables have turned. Zirah, once a pawn, now stands tall like a queen. Their cruel game meant to break her has instead remade her. She's become steel wrapped in silk, a force to be reckoned with. The Lycan Kings, stripped of their titles, now fight not for a throne but for the favor of the queen who mastered their savage game. The throne is long forgotten, and the three kings only want one thing: their queen. Zirah wants revenge. And there is no better revenge than that served by a scorned queen. Now, the Kings face a new challenge because they're no longer hunters but the hunted, trapped by their own cruel fate. Now, they are prey to their Lycan Queen.

His Lycan Luna Queen Jessica Hall,2024-05-27 Queen Azalea, once known as Ivy, has emerged from the secrets of a past she didn't know was hers. As she embraces her true heritage and the staggering powers of the Landeena bloodline, the dynamics of her relationship with King Kyson shift. No longer just his Luna, she is now a sovereign in her own right-a queen with a will that bends to no one, not even to the king who once ruled over her heart. As external threats multiply, with old enemies emerging from the darkness to challenge the Valkyrie throne, Azalea's leadership is tested, and so is the mate bond. Azalea was born in Landeena and lost but was later found and reawakened in Valkyrie. As she faces the hunters who threaten their kingdom. Their aim was to overpower a king, but they overlooked his Queen. They believed Valkyrie would fall easily, but little did they know that a king's strength is measured by the woman who stands at his side. Azalea may now be Valkyrie, but they'll meet the power of the Landeena. When the hunters face her wrath, they do not just meet a Queen but the Empress of Lycania, ruler of the five kingdoms. And she's a force to be reckoned with.

The Lycan's Rejected Mate Sunshine Princess,2023-03-01 She is a murderer! Everything changed for Anaiah Ross when she inadvertently killed someone following her first unexpected Shift into her wolf. Now hated, abused, and mistreated by the members of her pack, her fated mate, Alpha Amos, rejected her instantly and ordered her thrown into the dungeons. Her heart shattered almost instantly and begrudgingly, accepted his rejection, resigning herself to a life of misery at the mercy of her pack. But on her eighteenth birthday, fate seemed to take pity on her and revealed her Second Chance mate as non other than a dangerous and powerful Lycan King, but Amos realizes that he simply can't let her go. With two men fighting for her attention and desperate to win her love and acceptance, her life becomes increasingly complicated. Anaiah discovers sinister

plots at work and fights to discover the true power that will change the course of her life for good, making her the prime target for the evil that lurks in the shadows. Can Anaiah survive the evil thrown at her and finally, find happiness with the man that she chooses? Or will she succumb to the darkness and lose herself, and everything she knows completely?
