The Living Bible Large Print Edition Tyndale,2018-06-05 Celebrating over 40 years and over 40 million lives touched, Tyndale is releasing an indexed edition of the Large Print hardcover The Living Bible. Features include a Bible reading plan, four-color maps, topical concordance, presentation page, and large-print thumb tab indexing. The uncluttered, two-column format and large text make for easy reading. The Living Bible is a paraphrase of the Old and New Testaments. Its purpose is to say as exactly as possible what the writers of the Scriptures meant, and to say it simply, expanding where necessary for a clear understanding by the modern reader.

The Living Bible Large Print Edition Tyndale,2013-05 Unlike most English Bibles, The Living Bible is a paraphrase, designed to put the basic message of the Bible into modern language that could readily be understood by the typical reader without a theological or linguistic background.

The Way NLT Tyndale,2012-04-13 Today's 16-30 year olds are looking for connection to something bigger than themselves. They want something that works and is honest, authentic. Something that they can actually experience.

Something that gives them hope. The Way offers a way that works. A way that matters. A way that asks them to step up to something important enough—big enough—to live for. It's a visual, textual, and interactive experience for a generation that has blurred the boundaries of media. It's an interactive experience for those ready for collaboration, change, and a challenge. The Way connects a restless generation, a generation looking for direction, to Jesus—the Way, the Truth, and the Life. It uses first-person stories, reflections, and questions that bring the Bible to the real world.

Living Scripture Mitch Finley,1990-10-01 *Living Scripture* captures the essence of each week's Scripture readings in an easy-to-read, easy-to-use format.

On the Way to the Party Ruby (Heppner) Wiebe,2020-03-31 When life happens, we all need a little pick-me-up from time to time. This book will remind you that there is a silver lining in every cloud ... if you look for it. In fact, sometimes the entire cloud is covered in silver and bling! Some of the short stories will produce a smile and a chuckle, like the conversation I had with my two-year-old grandson as he was trying to figure out if Grandma was an idiot or not! They may also incite a tear or two—perhaps when reading about the houseguest who broke my heart when I realized the deprivation he must have suffered while in a cult. His excitement over bologna sandwiches just may melt your heart! Experience with me the warmth of family as the young 'uns steal the show. Be encouraged to take up the childish task of tattling again, but this time with a twist. Let's learn how to focus on the good we see in others and talk about that! Enjoy these snack-size portions served up to lift your soul as you make your way to the ultimate celebration, a.k.a the “party!”
