**Nat Reed,Lois Lowry**

**Number the Stars** Lois Lowry,1989-04-24 The unforgettable Newbery Medal-winning novel from Lois Lowry. As the German troops begin their campaign to relocate all the Jews of Denmark, Annemarie Johansen's family takes in Annemarie's best friend, Ellen Rosen, and conceals her as part of the family. Through the eyes of ten-year-old Annemarie, we watch as the Danish Resistance smuggles almost the entire Jewish population of Denmark, nearly seven thousand people, across the sea to Sweden. The heroism of an entire nation reminds us that there was pride and human decency in the world even during a time of terror and war. A modern classic of historical fiction, *Number the Stars* has won generations of fans and continues to speak to today's readers. Jessica Grose wrote in a November 2022 New York Times essay entitled *This Perfect Mother-Daughter Read Holds a Powerful Lesson for Fighting Antisemitism*: "Number the Stars is particularly relevant to our family, and to this moment. As School Library Journal put it: Readers are taken to the very heart of Annemarie's experience, and, through her eyes, come to understand the true meaning of bravery."

The book follows two families, the Johansens and the Rosens, as they struggle for survival against the oppressive and invasive Nazi occupation. When it is discovered that the Nazis plan to relocate all of Copenhagen's Jewish population, the Johansens realize they must do everything they can to help their Jewish neighbors, the Rosens. Annemarie is a ten-year old girl thrust into the world of serious adult problems and life or death consequences. Though she is still a child, she finds her responsibilities multiply as the story reaches its climax. Annemarie is often shown parallel to her younger sister Kirsti, a precocious little girl who is oblivious to the troubles of the world. Annemarie cannot relate to her sister. Since the death of her elder sister Lise, Annemarie's relationship with her former brother-in-law Peter Neilsen has changed as well. He used to be jocular and relatable. Now, in the midst of war, he is serious and driven. She can no longer relate to him either, leaving her stranded between childhood and adulthood. At various points in the story adults require her to be brave and act mature, but refuse to tell her everything she wants to know, because she is still a child.
