What Was the Holocaust? Gail Herman, Who HQ, 2018-06-19 A thoughtful and age-appropriate introduction to an unimaginable event—the Holocaust. The Holocaust was a genocide on a scale never before seen, with as many as twelve million people killed in Nazi death camps—six million of them Jews. Gail Herman traces the rise of Hitler and the Nazis, whose rabid anti-Semitism led first to humiliating anti-Jewish laws, then to ghettos all over Eastern Europe, and ultimately to the Final Solution. She presents just enough information for an elementary-school audience in a readable, well-researched book that covers one of the most horrible times in history. This entry in the New York Times best-selling series contains eighty carefully chosen illustrations and sixteen pages of black and white photographs suitable for young readers.

Que Fue el Holocausto? (What Was the Holocaust?) Gail Herman, 2024-12-03 The Holocaust was a genocide on a scale never before seen, with as many as twelve million people killed in Nazi death camps--six million of them Jews. I am Anne Frank Brad Meltzer, 2020-10-13 The 22nd book in the New York Times bestselling series of biographies about heroes tells the story of Anne Frank, the young Jewish girl who documented her life while hiding from the Nazis during World War II. This engaging biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Each book tells the story of an icon in a lively, conversational way that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos. This volume features Anne Frank, whose courage and hope during a time of terror are still an inspiration for people around the world today. While Anne and her family hid in an attic during the Holocaust, she kept a journal about all her hopes and fears and observations. That journal and the story of her life are still read and told today to remember the life of a young girl and warn against the consequences of bigotry. This friendly, fun biography series inspired the PBS Kids TV show Xavier Riddle and the Secret Museum. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Anne Frank's unwavering hope is central to this biography You'll want to collect each book in this dynamic, informative series!
