## Berwickshire Naturalists' Club

### **The Agricultural Gazette and Modern Farming** ,1895

**Two Twisted Crowns** Rachel Gillig,2023-10-17 In the New York Times bestselling sequel to One Dark Window, Elspeth must confront the weight of her actions as she and Ravyn embark on a perilous quest to save the kingdom—perfect for readers of Hannah Whitten's For the Wolf and Alexis Henderson's The Year of the Witching. Gripped by a tyrant king and in the thrall of dark magic, the kingdom is in peril. Elspeth and Ravyn have gathered most of the twelve Providence Cards, but the last—and most important—one remains to be found: the Twin Alders. If they're going to find the card before Solstice and set free the kingdom, they will need to journey through the dangerous mist-cloaked forest. The only one who can lead them through is the monster that shares Elspeth's head: the Nightmare. And he's not eager to share any longer. Praise for One Dark Window: Enthralling from beginning to shocking end. —Hannah Whitten, New York Times bestselling author of For the Wolf Pulse pounding, darkly whimsical, and aglow with treacherous magic. —Allison Saft, New York Times bestselling author of A Far Wilder Magic The Shepherd King One Dark Window Two Twisted Crowns

**Age of Auroras** Shari L. Tapscott, Filled with love, betrayal, and magic, Age of Auroras is the epic conclusion of The Riven Kingdoms. Temporary peace has settled across Draegan as a new era begins for the cursed kingdom, but the royals know that tranquility is fleeting. In order to fulfill the magic and save the continent from its imminent destruction, Rhys and Amalia must once again return to Renove and see the rightful king ascend his throne. The sorrows of yesterday forgotten, Amalia looks forward to crossing the rift one last time to see her family, filled with hope that the impossible task she and Rhys were charged with will soon be complete. But the happy reunion doesn't go as planned. The curse has fully descended on the once-blessed kingdom, and an imposter king wears a stolen crown. Already, the broken magic begins to tear their world apart, and amidst it, an unavoidable battle looms that will test the royals in ways they never dared imagine. Age of Auroras is a 73,000-word fantasy romance and the final book in a connected series that must be read in order. The Riven Kingdoms Reading Order: Forest of Firelight Sea of Starlight Dawn of Darkness Age of Auroras
