Truer Than True Romance Jeanne Martinet,2001 Parodies the romance comics of the 1940s to the 1970s and offers irreverent dating attitudes and romantic advice, updating ten DC Comics romance stories with new word balloons and captions to accompany the original artwork.

More Than Saying I Love You Andrea Goodman Weiner,2011-01-30 Self-love is not the same as being self-centered, egotistical, self-righteousness or narcissistic.What would it look like to have a generation of children that practiced self-love? They would be caring and loving towards others as well as themselves. Being able to “love others as ourselves” or as the Bible says ” love your neighbor as yourself” comes from practicing self-love. They would appreciate their talents and be accepting of who they are. By being accepting and compassionate towards themselves, they can in turn be the same towards their friends, classmates, siblings, and parents. Their self-worth or high self-esteem becomes a by-product of their self-love.

Do Your Om Thing Rebecca Pacheco,2015-03-03 Yoga, Meet Life. Sometimes an hour-long yoga class is the only chance we get to connect meaningfully with our bodies and our minds during a week otherwise full of work, family, and the daily grind. Have you ever wondered how would it feel to bring that experience of awareness and calm out of the yoga studio and into your everyday life? After all, we know that practicing yoga can give us a leaner body and more sculpted limbs, but isn't its most important benefit the way it makes us feel? In Do Your Om Thing, master yoga teacher and creator of the popular blog OmGal.com Rebecca Pacheco shows us that the true practice of yoga is about much more than achieving the perfect headstand or withstanding an hour-long class in a room heated to 100 degrees. Yoga is not about performance, she tells us, it's about practice, on your mat and in your life. If you want to get better at anything what should you do? Practice.

Confidence, compassion, awareness, joy—if you want more of these—and who doesn't?—yoga offers the skills to practice them. In her warm, personal, and often hilarious prose, Rebecca translates yogic philosophy for its twenty-first-century devotees, making ancient principles and philosophy feel accessible, relatable, and genuinely rooted in the world in which we live today. And by illuminating how the guiding principles of yoga apply to our modern lives, Rebecca shows us that the true power of a yoga practice is not physical transformation, but mental and spiritual liberation.

Always with You James A. Doss, 2010-07-09 Mathew 28:20 And Lo I will be with you always, even until the end of this age JESUS's words echoes through the ages, as a constant reminder to each and every one of us who has boldly stepped onto this journey of faith and ventured into the uncharted realms of individual reality. Throughout the many centuries countless people groups, whether rich or poor, great or small, men or women, children or adults, irrespective of their color, creed, race or language, have so abundantly held onto this promise as a sole means of their personal sustenance. Time and again this guarantee, this personal promise has made it possible for those countless, to not just survive in life but to thrive in it, against insurmountable odds and against formidable foes. Be blessed.
