**Robert Druce**

**You Only Live Twice** Ian Fleming, 1964 On the brink of becoming a security risk after the death of his wife, Secret Service agent 007 is sent to Japan and encounters an old enemy.

**The Definitive Story of You Only Live Twice** Graham Thomas, 2020-10-14 'Here's one of the most niche Bond Books I've read recently and it's very good.' Prof Neil Martin. 'It's a wonderfully researched and well-written book.'

@MyBudgetBond 'Wonderfully Informative as usual from Mr Thomas.' Reader review from Literary 007. 'The quality and variety is endlessly fascinating.' Reader review from Literary 007. 'An excellent and much needed insight into the once mysterious Mr Saito!' Reader review from Literary 007. This is the fan's guide to the writing and filming of *You Only Live Twice*, bringing you much that you might have never known before. Now over fifty years old it remains one of Fleming's most fascinating stories whether in book or film form. It is also the story with the longest and most interesting gestation that started when Fleming first visited Japan in 1959, and then only came to some sort of finale when the film was released in 1968. This is the definitive story of the story; a story that is a literary history, a film history, a travel book, and is definitely more than just a film location guide. The reader will be taken on a unique 007 journey. If you love James Bond you'll love the insights and details; if you love Japan, you will find it equally enjoyable and will want to follow in the same footsteps as Fleming and Bond. Written by Graham Thomas who is a critically acclaimed author of books about Japan and a regular contributor to Literary 007, (a must-view resource for the serious James Bond buff) this book has pages packed with detail never published before.

*You Only Live Twice* Ian Fleming, Ian, Professor of Organic Chemistry Ian Fleming, 2018-01-17 The story starts eight months after the murder of Tracy Bond, which occurred at the end of the previous novel, *On Her Majesty's Secret Service*. James Bond is drinking and gambling heavily and making mistakes on his assignments when, as a last resort, he is sent to Japan on a semi-diplomatic mission. Whilst there he is challenged by the Head of the Japanese Secret Service to kill Dr. Guntram Shatterhand. Bond realises that Shatterhand is Ernst Stavro Blofeld and sets out on a revenge mission to kill him and his wife, Irma Bunt. The novel deals on a personal level with the change in Bond from a depressed man in mourning, to a man of action bent on revenge, to an amnesiac living as a Japanese fisherman

**You Only Live Twice** Mike Hoolboom,Chase Joynt,2016-04-11 Chase Joynt and Mike Hoolboom here give each other the gift so many people only dream of: ample, unhurried space to unspool crucial stories of one's life, and an attentive, impassioned, invested, intelligent receiver on the other side. The gift to the reader is both the example of their exchange, and the nuanced, idiosyncratic, finely rendered examination it offers of biopolitical experiences which, in many ways, define our

times. I'm so glad they have each other, and that we have this. - Maggie Nelson *You Only Live Twice* is an intelligent ode to enchantment, to the possibilities that arise in their 'second lives' when all past expectations have been foreclosed. - Chris Kraus The writing is out of the park — strong and surprising, a relay race of brilliant twirling, tossing thoughts back and forth like balletic rugby bros. Joynt and Hoolboom's dances of disclosure are so courageous and generative, gifts to us all. - John Greyson What if it's not true that you only live once? In this genre-transcending work of true fiction, trans writer and media artist Chase Joynt and HIV-positive movie artist Mike Hoolboom come together over the films of Chris Marker to exchange transition tales: confessional missives that map out the particularities of what they call second lives: Chase's transition from female to male and Mike's near-death from AIDS in the 1990s. Chronicling reactions from friends and families, medical mechanics, and different versions of coming out, 'YOLT explores art, love, sex, death, and life in changed bodies. The unspoken promise was that in our second life we would become the question to every answer, jumping across borders until they finally dissolved. Man and woman. Queer and straight. Mike Hoolboom is an author and filmmaker based in Toronto. He has written four books, received more than thirty international film prizes, and enjoyed nine international retrospectives of his work. Chase Joynt is a Toronto-based moving-image artist and writer who has exhibited his work internationally. He recently received a Mellon Fellowship in Arts Practice and Scholarship at the University of Chicago.
