The Secret History: A Read with Jenna Pick Donna Tartt, 2011-10-19 A READ WITH JENNA BOOK CLUB PICK • ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • INTERNATIONAL BESTSELLER • A contemporary literary classic and an accomplished psychological thriller ... absolutely chilling (Village Voice), from the Pulitzer Prize-winning author of *The Goldfinch*. One of *The Atlantic's* Great American Novels of the Past 100 Years Under the influence of a charismatic classics professor, a group of clever, eccentric misfits at a New England college discover a way of thought and life a world away from their banal contemporaries. But their search for the transcendent leads them down a dangerous path, beyond human constructs of morality. "A remarkably powerful novel [and] a ferociously well-paced entertainment . . . Forceful, cerebral, and impeccably controlled." —The New York Times

100 Must-Read American Novels Nick Rennison, Ed Wood, 2010-09-26 This is the definitive literary guide to the one hundred best American novels, giving witty, concise, and insightful reviews; historical and literary context; and opinions as to why these novels were chosen as must-reads. It also features an in-depth introduction to the theme of the American novel. Covering the works of major literary figures and some lesser-known writers who you may not have discovered yet, this pocket-size resource is like a friend's recommendation in helping you find your way to great reading, with just enough background information, plot, and details about how readers and critics have felt about these works over the years to pique your curiosity. From literary masterpieces such as James Fenimore Cooper's *The Last of the Mohicans* to books that changed the direction of American literature such as Nathaniel Hawthorne's *The Scarlet Letter* to writers who defined an era such as F. Scott Fitzgerald and Jack Kerouac to contemporary novels such as Toni Morrison's *Beloved* and Barbara Kingsolver's *The Poisonwood Bible*, these must-read novels cover American literature from nineteenth-century classics to present-day bestsellers. The guide also includes literary gems from authors such as Dawn Powell and William Maxwell, writers who didn't achieve the same level of success or fame as some of their contemporaries but have made notable literary contributions nonetheless. The book also features a "Read-On" suggestion list of up to five hundred more recommendations for further reading.

Reading Literature and Theory at the Intersections of Queer and Class Maria Alexopoulos, Tomasz Basiuk, Susanne Hochreiter, Tijana Ristic Kern, 2024-09-25 *Reading Literature and Theory at the Intersections of Queer and Class* focuses on

the crossover of queer and class, examining a range of texts across languages and genres and spanning nearly a century. This collection of chapters considers the intersection of queer and class in relation to literary aesthetics, a locus in which the interaction between sexuality and class is rendered with lucidity. Each chapter puts forward class and its manifestations as central to queer analysis of literary and cultural texts in historical and contemporary contexts. The readings adopt Kimberlé Crenshaw's intersectional paradigm by pointing to its activist as well as literary precedents and elaborations. These chapters emerged from a long-standing collaboration among three Central European universities whose faculty and graduate students established a joint queer literature and theory research seminar. They are supplemented by a roundtable discussion in which the contributing authors and their colleagues discuss how the concepts of queer and class in theory and (academic) practice have informed their current and previous work. *Reading Literature and Theory at the Intersections of Queer and Class* is intended for scholars in gender and queer studies.
