

Actua Para Mi

Mexico. Congreso. Cámara de Diputados

Actua como dama, ipero piensa como hombre! Steve Harvey, 2007-08-30 Para lograr el gran amor que siempre ha soñado, la mujer debe saber cómo piensan los hombres, qué les apasiona y qué les disgusta, qué actitudes de ellas le enloquecen y qué los aleja de sus brazos. Steve Harvey entrega en este libro súper divertido y a la vez revelador, una serie de consejos para que la mujer sepa lo que realmente le interesa a los hombres respecto a la sexualidad, la seducción y el compromiso; el libro es una guía esencial para que las mujeres elijan correctamente a su pareja y se alejen de los hombres que sólo quieren pasar el rato.

Actua Con Inteligencia en ,2005

Romanian in Migration Contexts Aurelia Merlan, 2024-06-17 As a result of migration, more than 25% of Romanian L1 speakers live outside of Romania and Moldova - mostly in other European countries, but also in America and Australia. In the meantime, many second-generation speakers have become part of this group. The situation has resulted in various different constellations of language contact, both within the group of Romance languages and amongst typologically different and unrelated languages. Despite the fact that these contact scenarios present a wide range of research perspectives, there have been hardly any studies on Romanian as a language of migrants up until now. The volume Romanian in the Context of Migration brings together contributions on the Romanian language in Europe and in North America in the context of current migration linguistics. It includes studies on Romanian in Canada, France, Germany, Italy, Portugal, Slovenia and Spain and on the Romanian of those who return to Romania and Moldova. Über 25 % der Sprecher mit Rumänisch als L1 leben heute - infolge der Migration - außerhalb von Rumänien und der Republik Moldau, zumeist in anderen Ländern Europas, aber auch in Amerika und Australien. Inzwischen sind zahlreiche Vertreter der 2. Generation hinzugekommen. Aus dieser Situation ergeben sich unterschiedliche Konstellationen von Sprachkontakt, sowohl innerromanisch als auch mit typologisch verschiedenen und nicht verwandten Sprachen. All diese Kontaktszenarien eröffnen vielfältige Forschungsperspektiven. Dennoch gibt es bislang kaum Untersuchungen zum Rumänischen als Sprache von Migrantinnen und Migranten. Der Sammelband Romanian in the Context of Migration vereint Beiträge zum Rumänischen in Europa und Nordamerika im Kontext der aktuellen Migrationslinguistik. Er umfasst Studien zum Rumänischen in Deutschland, Frankreich, Italien, Kanada, Portugal, Slowenien und Spanien und zum Rumänischen der Rückkehrer.

A New Pronouncing Dictionary of the Spanish and English Languages ,1902

El Gran Silencio Nicolas Lehoux,2014-09-28 El Gran Silencio es individual, lo siento en mí con tal intensidad que poco importa si me creen o no. Hace tiempo que ya pasé la fase de la aprobación. Aunque sería bueno saber que soy comprendido, no tengo ninguna expectativa en ese sentido. Simplemente he tratado aquí de expresar una vez más lo inexpressable, de dar testimonio de lo que Yo Soy. Al entrar en el Gran Silencio he capitulado. He dejado de creer que la humanidad podía en su conjunto despertarse a la consciencia. No obstante, creo firmemente que algunos individuos lo pueden lograr ya que es su deseo máspreciado. Es para ellos que escribo esta obra, es hacia ellos que dedico mi obra. Me gustaría recordarles que es el deber de cada uno el liberarse a sí mismos incluso antes de tratar de hacerlo para los demás.

Superación Personal Luis Alberto Villamarín Pulido,2016-06-09 Las exigencias familiares, laborales y de interacción social del mundo contemporáneo, demandan decisiones, soluciones y aportes ingeniosos, proactivos, novedosos y de cooperación permanente de cada persona, pues la vida es cada día más interdependiente. Desde tiempos inmemoriales, los seres humanos hemos acudido a la guianza espiritual e intelectual de quienes acumulan mayor sabiduría, y para complementarla hemos recurrido a los libros para consultar a los eruditos, los sabios y los maestros. Igual que en los tomos anteriores y posteriores, Superación Personal, Tesoro de la Sabiduría III, aporta a los lectores herramientas que ayudan a ser mejores en todos los campos del quehacer humano. En este tomo hay especial énfasis en reflexiones acerca de la felicidad, el servicio desinteresado a la humanidad, la crianza de los hijos, el reconocimiento al ingente esfuerzo de las madres para educar los hijos y articular la familia, los secretos del éxito personal y profesional a partir de la disciplina, la constancia y la automotivación. En algunos capítulos, de manera explícita se invita al lector, a ser optimista, a tener fe en sus capacidades y al desarrollo de sus habilidades, mediante el cultivo de la investigación permanente, el estudio y a práctica persistente. Así

mismo se relacionan ejemplos de vida y reflexiones particulares de exitosos emprendedores como Aristóteles Onassis, sabios como Séneca, Blas Pascal, Nikola Tesla, Jean Jacques Rousseau, Agustín de Hipona, Séneca y Stephan Zweig, cuyas enseñanzas tienen aplicación en todas las épocas de la historia, debido a su claridad conceptual acerca de la psicología y la sociología de los seres humanos. En el capítulo final, en 105 páginas de las 298 del texto, se transcribe el documento intitulado Mil Joyas de sabiduría elaborado por el sacerdote católico Eliécer Salesman, quien compiló y estructuró mil frases célebres, metodológicamente seleccionadas para invitar a los lectores al crecimiento armónico de su mente y su espíritu creativo, con fe absoluta en Dios. Si bien es cierto que las palabras motivan y el ejemplo arrastra, también es cierto que las acciones son más efectivas que los buenos deseos. En ese orden de ideas, las reflexiones consolidadas en este libro, son apenas referentes para personas con mente abierta y deseo de superación. No son fórmulas mágicas para la superación personal, pues en sana lógica y absoluta verdad, no existen las fórmulas mágicas ni en el campo de los conocimientos ni en los escenarios prácticos de la acción. La serie Elementos de Superación, Tesoro de la Sabiduría es una caja de herramientas con mensajes claros y profundos, tomados de triunfadores, que han sido condensados y estructurados para que quien los lea, deleite su mente con mensajes frescos y estimulantes para permanecer en el entorno ilimitado de la mejoría en todos los aspectos de la vida personal y profesional. El propósito general de esta obra es coadyuvar a la formación de mejores personas, a partir de enseñanzas de triunfadores y reflexiones adecuadas para actuar en la vida cotidiana. Por estas razones, el Tomo III de la Colección Superación Personal no debe faltar en la biblioteca de quien tenga el genuino deseo de enriquecer su espíritu de superación
