Saint & Sinner Duet Harmony West, 2025-11-12

Always with You Harmony West, 2023-06-20 The first boy I ever loved might be a murderer. After Sophie Mariano disappeared, I took the perfect life she left behind—the spot on the cheer squad, the friends, and the gorgeous boyfriend. But now Sophie's brother, Miles, is back, and he's looking for his missing sister. He's staying with his grandma in my duplex, which means there's nothing but a door separating us each night. I should be afraid of him—everyone thinks he killed his sister. But I'm not afraid of Miles. I'm afraid of how much I want him. There is one person I'm afraid of, though: whoever's sending me creepy, anonymous messages and photos. They're following me around town, to work, to my house. According to Miles, the same thing happened to Sophie before she disappeared. Whoever was stalking her is now stalking me. The DMs escalate to vandalism, blackmail, break-ins, and death threats. My stalker wants to ruin my life. They want to break me. They want me dead. If Miles and I don't figure out what happened to Sophie and who's been stalking us both? I'll be the next girl to disappear. For fans of *Gilmore Girls* and *Punk 57*, this bad boy next door romantic suspense is brimming with intrigue, twists, and a steamy love triangle that will keep readers guessing and gasping late into the night. Contains mature themes and content.

Drown in You Harmony West, 2024-08-30 Luke Sienna Carter has no idea I'm her favorite masked man. We met online five years ago, and though I know everything about her, there's still so much she doesn't know about me. Including my real name. Now that she's living under the same roof, friendship turns to full-blown obsession. Love at first sight. The stuff of fantasies. But here Sienna Carter is, waltzing into my life and making me fall in love with her the second our eyes lock. She's convinced she needs to stay away from me. But I won't let her. We've always been better together, even if she doesn't know it. Sienna After one reckless night together, Luke Valentine has his sights set on me. If the circumstances were different, maybe I'd want him too, but he's entirely forbidden. Once we're on campus together, staying away from him is impossible. He's lurking around every corner, waiting for any chance to catch me alone. Luke is determined to make me his, no matter how wrong it is, and with every move he makes, I'm finding it harder and harder to resist him. Except we both have our secrets, and the closer I get to learning Luke's secrets, the closer he gets to learning mine. And some secrets are better off buried...
