The Pointe of the Pen Betsy Winakur Tontiplaphol,2021 *The Pointe of the Pen* argues that the nineteenth century's balletic innovations the most iconic of which was the ballerina en pointe, or dancing on the tips of her toes - assisted nineteenth-century poets in both conceiving and articulating the object of verse in an age increasingly shaped by the novel.

Diccionari UB ,2008 El diccionari UB anglès-català és el resultat d'una activitat conjunta de diferents agents que, de manera complementària, han sumat coneixements, continguts i tecnologia per fer una obra de referència rigorosa, posada al dia, útil a un ampli sector de la ciutadania i que contribueixi a eixamplar els horitzons culturals i lingüístics no solament de la comunitat universitària, sinó de la societat catalana...Pel seu contingut, constitueix una obra idònia tant per als usuaris comuns de la llengua com per a especialistes d'un ampli ventall de sectors professionals, així com per al professorat i estudiants universitaris i de cursos avançats de secundària. La mobilitat estudiantil a nivell internacional el converteix en un company de viatge imprescindible per als estudiants catalans que viatgen a l'estranger i en una eina bàsica per al coneixement de la llengua i la cultura catalanes per als qui vénen a completar els seus estudis al nostre país.

The Guardian of the Spectacle Krister Bladh,2010-08-01 How can the graphic design of a popular, contemporary daily newspaper be 'détourned' to reveal its ideological function? This question is addressed in a new undergraduate thesis at Malmö University, Sweden, based on an ideological analysis of The Guardian. Using Guy Debord and the Situationists method of détournement, five of its front pages have been redesign and printed as an implementation of the conclusions drawn. The prints were sent back to the editors as a reversed subscription.

Jean Renoir Célia Bertin, 1991 Jean Renoir: A Life in Pictures is the first biography of this master of modern cinema--the director of Grand Illusion, Rules of the Game, The River, and other classics. Celia Bertin tells Renoir's story from his magical childhood to his first success in films, from his encounter with European fascism to his final years as the beloved Frenchman from Beverly Hills. With the help of Renoir's family, Bertin interviewed everyone who knew the director in Paris, Provence, Bourgogne, and Los Angeles. Using first-hand accounts along with previously unpublished materials, she places this colorful, charming, and brilliant figure in the context of his time, his culture, and the history of cinema. Awarded the prize Therouanne by the Academie francaise in 1986, this acclaimed biography is now available in English. The spectacle of real life, Renoir wrote, is a thousand times richer than the most beguiling inventions of our imagination. And his own life makes the point. He lived a privileged childhood in the luminous world of his father, the famous Impressionist painter Auguste Renoir. As a horseman and aircraft pilot in World War I, he was badly wounded at the age of twenty. After the war and his father's death, he seemed destined for a life of sportscars and glamorous women--he first took up filmmaking to glorify his beautiful young wife. But soon movies became his passion and his work grew astoundingly original. He opposed the rise of fascism in Europe, yet was approached by Mussolini to direct Tosca. In 1940, Renoir moved to America--where he became the mentor to a younger generation of cineastes. He died in Beverly Hills in 1979. For a long time people thought he was only a dilettante, but Jean Renoir knew that, for him, movies were more than a hobby. He was getting ready to devote his life to them. From observing his father, Jean had learned the difference between a pastime and a passion, but would he ever be as passionate as his father had been? Making movies is both simpler and more complex than painting. You never work alone, and the team carries you along and excites you. That is an advantage with disadvantages: You depend on others, and they are not necessarily teammates whom you have chosen: they can be producers, distributors, or, ultimately, the public, which either accepts or rejects you. Without a public, you can make paintings, but not films.--from Jean Renoir: A Life in Pictures
