Carolyn W. Field,Jaqueline Shachter Weiss

Are You There God? It's Me, Margaret. Judy Blume,2024-11-05 Now a major motion picture starring Rachel McAdams and Kathy Bates! A Time Best YA Book of All Time Margaret shares her secrets and her spirituality in this iconic Judy Blume novel, beloved by millions. Margaret Simon, almost twelve, likes long hair, tuna fish, the smell of rain, and things that are pink. She's just moved from New York City to Farbook, New Jersey, and is anxious to fit in with her new friends—Nancy, Gretchen, and Janie. When they form a secret club to talk about private subjects like boys, bras, and getting their first periods, Margaret is happy to belong. But none of them can believe Margaret doesn't have religion, and that she isn't going to the Y or the Jewish Community Center. What they don't know is Margaret has her own very special relationship with God. She can talk to God about everything—family, friends, even Moose Freed, her secret crush. Margaret is funny and real. As you read her story, you'll know why this book has been the favorite of millions of readers. It's as if Margaret is talking right to you, sharing her secrets with a friend.

Value-Packed Booktalks Lucy Schall,2011-04-07 In this guide, 100 recommended books and booktalks offer the perfect way to start value discussions with teens and teen/adult book groups. With its focus on current, popular titles, *Value-Packed Booktalks: Genre Talks and More for Teen Readers* is a flexible tool for all educators—from Young Adult (YA) librarians and readers' advisors at public libraries to school librarians and teachers. Booktalks are provided for young adult literature published between 2006 and 2010, organized by values addressed in specific genres. Examples of discussions show how these booktalks can help teens define what is personally important to them and why. Unique in that it ties current popular genres to values (courage with adventure titles, problem-solving with mystery/suspense), the book focuses on 100 recently

published YA fiction and nonfiction titles, offering summaries, lists of themes, values statements, booktalks, and curriculum connections. It also cites passages appropriate for read-aloud booktalks, designates a general grade-range (middle, junior, or senior high school), notes gender appeal for the titles (male, female, or cross gender), and lists similar or related works, some published before 2006.

Children's Literature for All God's Children Virginia Thomas, Betty Davis Miller, 1986-01-01 The themes, words, and concepts in children's literature speak to the whole Christian community. Virginia Thomas and Betty Miller have examined children's literature and designed an extensive annotated list of children's stories, poems, folk tales, and fiction that express faith, belief, theology, and Christian principles. This unique resource/reference handbook gives the church the opportunity to function as a united community of believers. Children and adults have the chance to study and learn together -- grow as a whole community. Thomas and Miller offer a practical approach to children's literature that gives background and theory, an evaluation of techniques, how-to guidelines, suggestions for use, lists of books, two annotated bibliographies, and indices: subject and themes, genre, and book awards. Explains: why children's literature is a good resource for Christians where to find good stories how significant themes are adapted for different age levels how to evaluate stories how to use them Parents, teachers, and ministers will delight with children in this new approach to sharing, learning, teaching, and worship. The bibliography of books for all ages is a treasure-house of information. Features basic book information, summary, and themes values. This is an educational tool that provides a new avenue to understanding our faith.

Harry Potter and the Cedarville Censors Brian Meadors, 2019-02-28 In 2002, the Cedarville School Board in Crawford County, Arkansas, ordered the removal of J.K. Rowling's Harry Potter books from library shelves, holding that witchcraft or sorcery [should not] be available for study. The Board picked some formidable adversaries. School librarian Estella Roberts, standing on policy, had the books reviewed--and unanimously approved--by a committee of teachers and administrators that included a child and a parent. Not satisfied with the Board's half-measure permitting access to the books with parental approval, 4th-grader Dakota Counts and her father Bill Counts sued the school district in Federal court, drawing on the precedent *Pico v. Island Trees* to reaffirm that Constitutional rights apply to school libraries. Written by the lawyer who prosecuted the case, this book details the origins of the book ban and the civil procedures and legal arguments that restored the First Amendment in Cedarville.
