James Guttman

Literal Interpretation: How to Explain Analogies and Idioms to Autistic People Travis Breeding, 2014-07-09

Individuals with Autism often have a hard time comprehending and understanding analogies and idioms. Our brains just do not function in ways that understand those. This book explains to you how someone with Autism might interpret some of the more popular analogies and idioms that our society uses. When you tell someone it's raining cats and dogs we do not generally expect someone to look outside to check for cats and dogs falling from the sky. In the case of Autism this statement can be taken very literal. It is important to understand how children and adults with autism think so that we can understand how to better explain these types of things to them. Helping them learn and understand the more popular analogies and idioms will not just help them navigate daily life but it will help prevent them from being bullied. This book is very informative and highly recommended material for understanding the Autistic Mind. This book is sure to make you laugh while educating you about a very important topic. This version of the book comes with an Autism Resource Guide to help parents, educators, and professionals help people with Autism.

Why Does Daddy Always Look So Sad? Jude Morrow, 2020-04-07 Winner of a 2021 Gold Living Now Award. Why Does Daddy Always Look So Sad? is a poignant and honest memoir detailing Jude Morrow's journey to parenthood, and how his autism profoundly affected that journey, for both better and worse, bringing hope to all who live with autism as well as those who care for someone on the spectrum. I knew that Jupiter has seventy-nine known moons and where the swimming pool was located on the Titanic, yet I didn't know how to connect with this beautiful child who called me "Daddy." Why Does Daddy Always Look So Sad? is a candid view of life and love through the eyes of an autistic adult—who went from being a nonverbal and aggressive child to a hard working and responsible father to a non-autistic son. Growing up autistic, Jude Morrow faced immense challenges and marginalization, but he was able to successfully—though not without difficulty—finish university and transition into a successful career and eventually parenthood. Those with autism can have difficulty understanding the world around them and can find it hard to find their voice, but in this poignant and honest memoir, Jude defiantly uses his found voice to break down the misconceptions and societal beliefs surrounding autism, bringing hope to all who live with autism as well as those who care for someone on the spectrum. Jude views his autism as a gift to be shared, not a burden to be pitied, and as he demonstrates through his honest recollections and observations, autistic people's lives can be every bit as happy

and fulfilling as those not on the spectrum.

Literal Interpretation Travis Breeding,2014-07-09 Individuals with Autism often have a hard time comprehending and understanding analogies and idioms. Our brains just do not function in ways that understand those. This book explains to you how someone with Autism might interpret some of the more popular analogies and idioms that our society uses. When you tell someone it's raining cats and dogs we do not generally expect someone to look outside to check for cats and dogs falling from the sky. In the case of Autism this statement can be taken very literal. It is important to understand how children and adults with autism think so that we can understand how to better explain these types of things to them. Helping them learn and understand the more popular analogies and idioms will not just help them navigate daily life but it will help prevent them from being bullied. This book is very informative and highly recommended material for understanding the Autistic Mind. This book is sure to make you laugh while educating you about a very important topic.

Hi World, I'm Dad James Guttman,2025-06-19 A candid and compulsively readable guide to raising an autistic child, from the perspective of a single father. With an exploration of the challenges facing male carers in this space - from gatekeeping to traditional masculinity - this will help fathers, and all parents of autistic children, advocate for themselves and their children.

Points of View Claude AUBERTIN,2019-06-11 Here are real stories about the life of an autistic little girl living in France, told by her daddy.
