Colleen McCullough Colleen McCullough, 1999-12

The Touch Colleen McCullough, 2003-11-25 Not since *The Thorn Birds* has Colleen McCullough written a novel of such broad appeal about a family and the Australian experience as *The Touch*. At its center is Alexander Kinross, remembered as a young man in his native Scotland only as a shiftless boilermaker's apprentice and a godless rebel. But when, years later, he writes from Australia to summon his bride, his Scottish relatives quickly realize that he has made a fortune in the goldfields and is now a man to be reckoned with. Arriving in Sydney after a difficult voyage, the sixteen-year-old Elizabeth Drummond meets her husband-to-be and discovers to her dismay that he frightens and repels her. Offered no choice, she marries him and is whisked at once across a wild, uninhabited countryside to Alexander's own town, named Kinross after himself. In the crags above it lies the world's richest gold mine. Isolated in Alexander's great house, with no company save Chinese servants, Elizabeth finds that the intimacies of marriage do not prompt her husband to enlighten her about his past life—or even his present one. She has no idea that he still has a mistress, the sensual, tough, outspoken Ruby Costevan, whom Alexander has established in his town, nor that he has also made Ruby a partner in his company, rapidly expanding its interests far beyond gold. Ruby has a son, Lee, whose father is the head of the beleaguered Chinese community; the boy becomes dear to Alexander, who fosters his education as a gentleman. Captured by the very different natures of Elizabeth and Ruby, Alexander resolves to have both of them. Why should he not? He has the fabled "Midas Touch"—a combination of curiosity, boldness, and intelligence that he applies to every situation, and which fails him only when it comes to these two women. Although Ruby loves Alexander desperately, Elizabeth does not. Elizabeth bears him two daughters: the brilliant Nell, so much like her father; and the beautiful, haunting Anna, who is to present her father with a torment out of which for once he cannot buy his way. Thwarted in his desire for a son, Alexander turns to Ruby's boy as a possible heir to his empire, unaware that by keeping Lee with him, he is courting disaster. The stories of the lives of Alexander, Elizabeth, and Ruby are intermingled with those of a rich cast of characters, and, after many twists and turns, come to a stunning and shocking climax. Like *The Thorn Birds*, Colleen McCullough's new novel is at once a love story and a family saga, replete with tragedy, pathos, history, and passion. As few other novelists can, she conveys a sense of place: the desperate need of her characters, men and women, rootless in a strange land, to create new beginnings.

Colleen McCullough Mary J. Demarr, 1996-06-10 Although best known for *The Thorn Birds*, her blockbuster family saga set in her native Australia, Colleen McCullough is a versatile novelist who has written in a variety of genres. This is the first full-length examination of her work. It highlights her versatility and her refusal to be confined to any one genre or type of writing, even though that refusal has lost her part of the wide readership she gained with *The Thorn Birds*. DeMarr discusses, analyzes, and evaluates each of McCullough's eight novels in turn, relates it to the genre to which it belongs, and compares it to her other work. This study also features a biographical chapter and a chapter which discusses the variety of genres in which McCullough has written. DeMarr shows how McCullough's romances (*Tim* and *The Ladies of Missalonghi*) and her other novels which make heavy use of romance elements (*The Thorn Birds* and *An Indecent Obsession*) differ dramatically from each other. She also compares McCullough's novels of ideas (*A Creed for the Third Millennium* and the three recent historical novels set in ancient Rome, *The Masters of Rome* series). Each novel or series is discussed in a separate chapter, which contains sections on plot development and structure, character development, setting, style, and themes. Each novel is also examined from an alternate critical approach, such as feminist, allegorical, anti-generic, and deconstructionist criticism, to widen the reader's perspective. A complete bibliography of McCullough's work, general criticism, and listings of reviews of each novel complete the work. This work will be of particular interest to public and school libraries.

Caesar's Women Colleen McCullough, 2008-11-11 New York Times bestselling author Colleen McCullough re-creates an extraordinary epoch before the mighty Republic belonged to Julius Caesar—when Rome's noblewomen were his greatest conquest. His victories were legend—in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius, general, patrician, Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold-hearted mistress he could never dare trust. Caesar's women all knew—and feared—his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his fate.

The thorn birds, Colleen McCullough Colleen McCullough, 1978

The Grass Crown Colleen McCullough, 2020-04-07 New York Times bestselling author Colleen McCullough returns us to an age of magnificent triumphs, volcanic passions, and barbaric cruelties. Throughout the Western world, great kingdoms have fallen and despots lay crushed beneath the heels of Rome's advancing legions. But now internal rebellion threatens the stability of the mighty Republic. An aging, ailing Gaius Marius, heralded conqueror of Germany and Numidia, longs for that which was prophesied many years before: an unprecedented seventh consulship of Rome. It is a prize to be won only through treachery and with blood, pitting Marius against a new generation of assassins, power-seekers, and Senate intriguers'and setting him at odds with the ambitious, tormented Lucius Cornelius Sulla, once Marius's most trusted right-hand man, now

his most dangerous rival.

How to Judge a Book by its Cover Kate Cuthbert,2025-12-10 Combining both an industry and research focus, *How to Judge a Book by its Cover* not only judges books by their covers but provides a methodology for others to do the same. Despite book titles and book covers having been identified, defined and discussed as paratexts, beginning first with Gérard Genette and by many paratextual and publishing scholars since, there is currently no methodology or defined vocabulary for the analysis and discussion of their creation, the intent and effect of their structure, and their constituent elements. As these paratexts become further and further removed from their texts then, like texts, they can – and should – be studied, especially as literature is inextricably embedded in industrial and social currents. *How to Judge a Book by its Cover* looks more deeply at book covers and book titles, two paratexts that are of broad academic interest but crucial to the placement, marketing, and commerce of the publishing industry. Bringing together paratextual studies, publishing studies and media studies, visual design analysis, and the world of advertising, this work marries academic rigour with industry experience to first define the role that book covers and book titles play and then articulate a methodology for their analysis. By identifying intent behind book covers and book titles, defining the elements that may be achieved in this intent, and providing opportunities to measure their success, both scholars and industry professionals will have a clear and robust vocabulary in discussions of these key marketing paratexts. This book can be used for students and researchers who are interested in media studies, paratextual studies, publishing, internet studies, postcolonial studies, and popular fiction studies.

The Prodigal Son Colleen McCullough,2013-10-29 Captain Carmine Delmonico must find a brilliant killer hiding out in the prestigious and cutthroat world of academia.

On, Off Colleen McCullough,2007-11-27 Realizing that a brutalized young woman is the latest victim of a serial murderer, 1960s lieutenant Carmine Delmonico traces clues that identify the killer as one of several secretive employees at a world center for neurological research.

Colleen McCullough Mary J. Demarr,1996-06-10 DeMarr discusses, analyzes, and evaluates each of McCullough's nine novels in turn, relates it to the genre to which it belongs, and compares it to her other work. This study also features a biographical chapter and a chapter which discusses the variety of genres in which McCullough has written.

Canadian Library Journal ,1977

Ladies of Missalonghi Colleen McCullough,1988-04-01 Sometimes fairy tales can come true-even for plain,shy spinsters like Missy Wright. Neither as pretty as cousin Alicianor as domineering as mother Drusilla, she seems doomed to a quiet life of near poverty at Missalonghi, her family's pitifullysmall homestead in Australia's Blue Mountains. But It's a

brandnew century-the twentieth-a time for new thoughts and boldnew actions. And Missy Wright is about to set every self-righteous tongue in the town of Byron wagging. Because she hasjust set her sights on a mysterious, mistrusted and unsuspectingstranger ... who just might be Prince-Charming in disguise.

Caesar Colleen McCullough,1997 The leaders of Rome grow ever more frightened, yet ever more obdurate the brilliant, ruthlessly autocratic Gaius Julius Caesar must be crushed and sent into a permanent exile before he can overthrow government and set himself up as dictator. The events in Caesar chronicle the struggle for dominance between Rome's Senate and its nemesis, Caesar.

The New York Times Book Review ,1992-04 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

Air University Review ,1982-09

Fortune's Favorites Colleen McCullough,2008-11-11 With incomparable storytelling skill, New York Times bestselling author Colleen McCullough brings Rome alive in all her majesty—and illuminates the world of those favored by the gods at birth. In a time of cataclysmic upheaval, a bold new generation of Romans vied for greatness amid the disintegrating remnants of their beloved Republic. They were the chosen...and the cursed—blessed with wealth and privilege yet burdened by the dictates of destiny in a savage struggle for power that would leave countless numbers crushed and destroyed. But there was one who would tower above them all—a brilliant and beautiful boy whose ambition was unparalleled, whose love was legend, and whose glory was Rome's: a boy they would one day call Caesar.

A Chronology of English Literature Martin Gray,1989 A survey of over 1300 years of literature which places more than 5000 literary works in chronological relation to each other, and in a context of historical and cultural events. Works by over 1000 authors listed, including representative works by foreign writers.

The Thorn Birds Colleen McCullough,1978-05-01 Now, 25 years after it first took the world by storm, Colleen McCullough's sweeping family saga of dreams, titanic struggles, dark passions, and forbidden love in the Australian Outback returns to enthrall a new generation. As powerful, moving, and unforgettable as when it originally appeared, it remains a monumental literary achievement—a landmark novel to be read . . . and read again!
