

Contrato De Comisin Mercantil Ejemplos

César Fentanes Méndez

El régimen jurídico unificado de la comisión mercantil y el mandato en el derecho de obligaciones y contratos Elena Leñena, Nerea Irákulis, 2007-06-06 En esta obra se presenta el tema de la unificación del Derecho de las obligaciones y contratos. Como se sabe, es esta una tendencia legislativa que se ha materializado en otros Ordenamientos jurídicos, como el italiano o suizo, pero en nuestro país, a pesar de que voces autorizadas han propugnado su acogida en el ámbito del Derecho privado, sin embargo todavía no se ha realizado. Los autores ponen de manifiesto las ventajas de un régimen jurídico unificado de las obligaciones y contratos que, de la mano de la flexibilidad que proporciona el Código Civil, aportaría una mayor claridad y simplicidad en esta materia, sin perjuicio de incorporar también determinadas especialidades, características y propias de la contratación en el tráfico mercantil.

El estatuto jurídico del agente de deportistas Feliciano Casanova Guasch, 2018-04-09 El agente de deportistas emerge dentro del negocio del deporte profesional para adquirir una relevancia y singular protagonismo hasta convertirse en un profesional especializado en la gestión y dirección de la carrera de los deportistas. Su activa presencia en la contratación y trasposos de deportistas le hace ser merecedor de una especial atención jurídica, sobre todo cuando el marco legal que debe dar respuesta a las cuestiones que suscitan los actos y negocios jurídicos en los que estos profesionales intervienen no está bien resuelto, pues junto a la legislación propiamente dicha también hay que tener en cuenta la normativa federativa que regula determinados aspectos de la profesión. En particular y sobre esta normativa federativa, la obra también incluye el análisis y comentarios de la reciente normativa FIFA 2014, Regulations on working with intermediaries, y del Reglamento de intermediarios de la RFEF de 2015. De esta manera, quedan analizados los dos tipos de normas principales que regulan la relación jurídica que los agentes constituyen con deportistas y entidades deportivas. El estudio se completa con una amplia aportación de sentencias judiciales y laudos arbitrales que han tratado diferentes cuestiones de especial interés en la materia

(objeto del contrato, devengo de la remuneración, prescripción de la acción, vulneración del pacto de exclusividad, régimen de responsabilidad, entre otras). El trabajo no se centra exclusivamente en el ámbito nacional, sino que también aporta referencias de derecho comparado y no está enfocado hacia una determinada modalidad deportiva, pues atiende a la singularidad de la reglamentación que cada federación ha dictado para el tipo de deporte que fomenta. En su parte final, y ya a modo de conclusiones, se ofrece una serie de propuestas para superar las situaciones de conflicto actualmente existentes.

Bases especiales de cotización ante el IMSS Comisión Representativa Ante Organismos de Seguridad Social IMCP, 2015-12-18 La Ley del Seguro Social de 1997 (LSS) contempla varias modalidades de aseguramiento, que permiten, tanto en el régimen obligatorio como en el voluntario, inscribirse e inscribir a un mayor número de derechohabientes para obtener los beneficios que el Instituto Mexicano del Seguro Social (IMSS) otorga a sus asegurados y beneficiarios y, por lo tanto, las bases de cotización para el pago de las cuotas de financiamiento de este servicio, las cuales difieren, al igual que las prestaciones otorgadas, dependiendo de si se encuentran contempladas en el régimen obligatorio o en el voluntario. Las prestaciones que establece la LSS y que el IMSS brinda a sus derechohabientes, se encuentran reguladas por dos regímenes: el obligatorio y el voluntario. En el primero una persona es afiliada por su patrón por tener una relación laboral que obliga a su aseguramiento, y este se integra por cinco tipos de seguros: Riesgos de trabajo; Enfermedades y maternidad; Invalidez y vida; Retiro, cesantía en edad avanzada y vejez, y Guarderías y prestaciones sociales; mientras que en el régimen voluntario la afiliación es producto de una decisión individual o colectiva, y este cuenta con el Seguro de salud para la familia, el Seguro facultativo y algunas otras modalidades de incorporación voluntaria. Por lo anterior, Bases especiales de cotización ante el IMSS tiene por objeto orientar a todos los interesados en el tema de la seguridad social y ayudar a comprender algunas modalidades establecidas por la LSS en materia de bases especiales de cotización, por ejemplo, en los siguientes rubros: trabajadores eventuales del campo, trabajadores de la industria de la construcción, régimen de incorporación fiscal, régimen del servicio del autotransporte de pasajeros y carga.
