Amores y desamores Cristina Pacheco, 1996

Sopita de fideo Cristina Pacheco, 2013-06-01 Cristina Pacheco reivindica una literatura en la cual la imaginación no está reñida con la crítica social. El tejido de lo cotidiano, con sus alegrías y sus tristezas, sus triunfos y sus fracasos, se encuentra presente a lo largo de estas páginas. Desde su frágil condición y sus escasas certidumbres, los personajes de estos notables cuentos enfrentan un entorno que pocas veces se ajusta a sus deseos y que, en ocasiones, los coloca ante una situación límite. Son hombres y mujeres cuyo drama íntimo encarna alguna de las múltiples facetas de lo humano. La autora se nutre de la realidad para crear eficaces artefactos narrativos de alta calidad literaria que son, al mismo tiempo, emotivos alegatos en contra de una sociedad injusta.

Mar de historias Cristina Pacheco, 2024-11-20 Mar de historias es una antología de algunos de los mejores relatos que Cristina Pacheco publicó durante más de treinta años en La Jornada Dramática, conmovedora y no exenta de sentido del humor. La vida es un alud de anécdotas y lo cotidiano, el escenario de lo insólito. Una abuela secuestrada por su nieta, una esposa que lleva un diario para hablar con el marido ausente, un jardinero inválido que no sabe cómo entrará al paraíso sin una pierna, un hombre acusado de infidelidad por culpa de un terremoto, un niño que ve espuma de olas en el salitre o unas viejitas que contratan a un bailarín exótico. Son muchas las historias que componen el mar de gente con el que nos cruzamos a diario y ninguna merece naufragar en el olvido. Íntima, nostálgica, sobrecogedora, envuelta en una prosa ágil que también disecciona la psique de sus protagonistas, en Mar de historias —antología de algunos de los mejores relatos que Cristina Pacheco publicó durante más de treinta años en La Jornada— la crónica dialoga con el cuento a través de una entrañable galería de personajes del México auténtico, aquel que nos sorprende y nos indigna todos los días.

El eterno viajero Cristina Pacheco, 2016-10-15 El eterno viajero reúne una serie de relatos de una prosa íntima y solemne, que aborda conflictos tanto cotidianos —el trabajo, el desempleo, el dinero, la familia— como existenciales —el amor, la muerte y la soledad y el olvido—. El relato que da nombre al libro El eterno viajero es un emotivo texto dedicado a José Emilio Pacheco, que relata cómo, a pesar de las distancias y los viajes, la pareja mantiene su vínculo a través de la escritura.

Cuando las cartas ya no son suficientes, es necesario llevar un diario -o varios- para contarse la vida hasta el día en que vuelvas.

La minificción bajo el microscopio Lauro Zavala, 2006

Breve historia del cuento mexicano Luis Leal, 2021-03-04 A partir de un análisis profundo del proceso histórico y el contexto social de los cuales emergió el cuento mexicano, el autor hace el recuento de un proceso evolutivo que va desde los orígenes del género, el cual hunde sus raíces en las culturas prehispánicas, hasta los principales autores contemporáneos, cuya actividad requería solventar la dicotomía entre su estética particular y el contexto, con el fin de construir una identidad nacional.

Cartografías del cuento y la minificción Lauro Zavala, 2014-05-12 Cartografías del cuento y la minificción reúne ensayos sobre la historia, la teoría, el análisis y la didáctica de la narrativa contemporánea a partir de la distinción entre el paradigma clásico (la narrativa secuencial y epifánica), el moderno (opuesto al clásico) y el posmoderno (donde ambas tendencias se superponen de manera paradójica). El volumen está pensado como una caja de herramientas donde se ofrecen opciones para el análisis de la narrativa literaria. Por esta razón, en este volumen también se incluyen varios glosarios y bibliografías temáticas sobre cuento, minificción, metaficción e ironía narrativa.

Latin American Women Writers: An Encyclopedia María Claudia André, Eva Paulino Bueno, 2014-01-09 Latin American Women Writers: An Encyclopedia presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries. This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese, and who have had an impact on literary, political, and social studies. Focusing on drama, poetry, and fiction, this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and culture. Each entry is followed by extensive bibliographic references, including primary and secondary sources. Coverage consists of critical appreciation and analysis of the writers' works. Brief biographical data is included, but the main focus is on the meanings and contexts of the works as well as their cultural and political impact. In addition to author entries, other themes are explored, such as humor in contemporary Latin American fiction, lesbian literature in Latin America, magic, realism, or mother images in Latin American literature. The aim is to provide a unique, thorough, scholarly survey of women writers and their works in Latin America. This Encyclopedia will be of interest to both to the student of literature as well as to any reader interested in understanding more about Latin American culture, literature, and how women have represented gender and national issues throughout the centuries.

The Boom Femenino in Mexico Nuala Finnegan, Jane E. Lavery, 2010-04-16 The Boom Femenino in Mexico: Reading Contemporary Women's Writing is a collection of essays that focuses on literary production by women in Mexico over the last three decades. In its exploration of the boom femenino phenomenon, the book traces the history of the earlier boom in Latin American culture and investigates the implications of the use of the same term in the context of contemporary women's writing from Mexico. In this way it engages critically with the cultural, historical and literary significance of the term illuminating the concept for a wide range of readers. It is clear that the entry of so many women writers into an arena traditionally reserved for men has prompted discussion around concepts such as 'women's writing' and the very definition of 'literature' itself. Many of the contributors grapple with the theoretical tensions that such debates provoke offering an important opportunity to think critically about the texts produced during this period and the ways in which they have impacted on the Mexican and international cultural spheres. The project is comprehensive in its scope and, for the first time, brings together scholars from Mexico, the U.S. and Europe in a transnational forum. The book posits that despite certain aesthetic and thematic commonalities, the increased output by women writers in Mexico cannot be appraised as a unified literary movement. Instead it embraces a wide range of different generic forms and the subjects under study in the essays in the book include the best-selling work of Ángeles Mastretta, Elena Poniatowska and Laura Esquivel as well as the social and political preoccupations of journalists, Rosanna Reguillo and Cristina Pacheco. Contributors offer readings of the aesthetic visions of writers as diverse as Carmen Boullosa, Ana García Bergua, and Eve Gil while other essays examine the nuances of contemporary gender identity in the work of Ana Clavel, Sabina Berman, Brianda Domecq and María Luisa Puga. There are essays devoted to poetry by indigenous Mayan women and an analysis of the complex place of poetry within the broader framework of literary production. The problems that emerge as a result of literary cataloguing based on gender politics are also considered at length in a number of essays that take a panoramic view of literary production over the period. Various critical approaches are employed throughout and the collection as a whole demonstrates that academic interest in Mexican women's writing of the boom femenino is thriving. Above all, the essays here provide a space in which the location of women within prevailing cultural paradigms in Mexico and their role in the mapping of power in evolving textual canons may be interrogated. It is clear from the collection that interest in such issues is still alive and that the debate is far from over.
