You've Got to Have a Dream Ian C. Bradley, 2005-01-01 Arguing that the musical is the most ubiquitous and dominant cultural icon of our age, scholar Ian Bradley unpacks the theological significance of the musical. Bradley argues that musicals provide millions of people around the world not just with entertainment but also with spiritual and theological values, a philosophy of life, and an encounter with God. In addition, he offers his thoughts on what the popularity of the musical might mean for the future of the church.

Gays and Grays Donal Godfrey, 2008-04-01 This book tells the story of a unique Catholic Parish, Most Holy Redeemer Parish in San Francisco. The story tells how the original parishioners (the gray) accepted the new gay community, especially in response to the AIDS epidemic.

Empty Chairs at Empty Tables Ky Chevalier, 2022 When COVID-19 forced sweeping isolation and stalled social gatherings, Dungeons and Dragons players were quick to move their games online. But while advances in digital tabletop gaming, including Roll20 and DnDBeyond, made key components of the game screen-friendly, the transition was anything but seamless. Long-running campaigns were paused, reformatted, or abandoned entirely. Many players struggled with their newfound isolation and the rapidly changing landscape of the game they loved. For some, the game table came to exist as a

painful reminder of all the treasured social spaces that COVID-19 had taken away. Empty Chairs at Empty Tables is a project which leverages the physical game pieces of Dungeons and Dragons to visualize the emotional toll of COVID-19 in social spaces. Informed by interviews with D & D players, Empty Chairs at Empty Tables is an exploration of the connection between players and game pieces, a monument to the social spaces lost to COVID-19, and an invitation for players and non-players alike to begin building a language for understanding the impact of the pandemic on the spaces where we gather.

Recovery the Hard Way Alan Featherstone,2023-11-09 “insert author's image here” This sequel to *Hard Road to Redemption* and *One Hard Day* completes the author's *Hard* series. Having recently taken a medical retirement from the US Air Force, Cutler Walker and his wife, Baylee Madison, and their two young children move from California to Virginia. Madison accepts a high-level job at the Pentagon while Walker goes into business with an old friend, and they start an aviation services company. They also join an investment team and buy a tract of land in Arizona and build a ski camp on it. Madison soon leaves government service and starts her own law firm. They are living the American dream when tragedy, in the form of an avalanche at their ski camp, strikes. The avalanche and its aftermath test their marriage, their professional lives, and even their faith in God. Friends, family, and the Lord stood by them as they learned how challenging the road to recovery could be.

The whole thing feels jinxed. That's when Jordan meets Betty, who works at the diner. To her he is Mr. Smith, a button salesman. But to Jordan, Betty is a sweet moment in his life, a safe haven. And that's where he makes his first mistake - he allows himself to feel human.

The Weekend Novelist Rewrites the Novel Robert J. Ray,2010-02-16 This follow-up to the bestselling *The Weekend Novelist* will guide writers of all levels through the next phase in crafting their novel: the rewrite. You've finished your first draft—congratulations! Think it's ready for publication? Think again. The next stage is all about revising and reworking your manuscript—fine-tuning the plot, adding or improving subplots, and fleshing out characters; in short, addressing important

structural issues that make or break a novel. Robert J. Ray, who helped thousands of writers get from blank page to first draft in *The Weekend Novelist*, now guides the same audience through a series of seventeen weekend revision exercises designed to fit into any busy lifestyle, focusing on everything from rewriting scenes to developing sound flashbacks to refining characters' back stories. Throughout the book, Ray illustrates his lessons with examples from such great works of literature as *Jane Eyre*, *Gorky Park*, and *The Great Gatsby* so that writers may more easily identify how and why a certain technique or structural element helps or hinders their own work. Also included are checklists, timed exercises, plot diagrams, and charts—all aimed to get you rewriting and revising your draft with confidence. Whether you're an amateur novelist, a seasoned writer who's hit a mental block, or a creative writing teacher looking for proven exercises for better instruction, *The Weekend Novelist Rewrites the Novel* provides the tools to transform first drafts into successful novels.

Live Your Life Amanda Kloots,Anna Kloots,2024-03-19 The beloved TV host reflects on love, loss, and life with her husband, Broadway star Nick Cordero, who tragically died from COVID-19. In March 2020, Broadway star and Tony Award nominee Nick Cordero was hospitalized for what he and his wife, Amanda Kloots, believed to be a severe case of pneumonia. Entering the hospital, they had every reason to believe that Nick—a young father and otherwise healthy man—would return home. After a diagnosis of COVID-19, Nick was placed on a ventilator, and Amanda began sharing their difficult journey on social media. When he passed away after ninety-five grueling days in the ICU, the world grieved for Amanda, her infant son, Elvis, and the beautiful future that COVID-19 had snatched away from them. *Live Your Life* is the story of Nick and Amanda's life together and his dramatic fight for survival. From the confusing early days of his illness to searching for signs of hope in every update from the doctors to the healing sound of Elvis's laughter, Amanda details how she approached even the most devastating moments with the personal optimism and faith that have shaped her life. *Live Your Life* includes sixteen pages of color photos exclusive to the book.
