The Philosophy of History Augustus Schade,1899

Truth Dane Don David Proctor,2023-07-10 The book Truth has a message for the world. The book is about life and reality, living in a world where evil seems to dominate, but good will forever triumph over evil, according to the Word of God. I will show you clearly the amazing truths and interpretations of the ancient Holy Scriptures wherefrom translated and documented in the Bible. These astonishing doctrines will completely change your life and give you a whole new outlook and perspective on life. The book Truth is about God's making of the heavens, being the children of God; His creation of the children of the earth, being Adam and Eve; and His creation of Satan (the devil), who gives birth to the children of hell. And their interbreed among each other, bringing forth offspring of good and evil, where evil would be cut off from the earth by the power of God. Hoping the book would gather all God-fearing people to action, to say enough is enough, and to make whatever sacrifice it takes to let good reign and our unity to be in a good way feared as unto the fear of the Lord. The book is lovingly dedicated to God, myself, and all the truth seekers of the Word of God and life's journey.
