## Caterina Boccardi

Myricae Jozef IJsewijn, 2000

**Roma città chiusa** Caterina Boccardi, 2020-08-31 Quali sono le emozioni che la quarantena imposta dall'emergenza COVID-19 ha scaturito in noi? In Roma città chiusa, l'autrice Caterina Boccardi racconta le sue paure, le sue sensazioni e le sue speranze verso la città eterna. Caterina Boccardi romana, dove lavora come istruttrice di nuoto sincronizzato e di nuoto. Ha iniziato a nuotare all'età di tre anni sotto lo sguardo vigile dei suoi genitori. A sei anni entra a far parte del settore agonistico di nuoto e nuoto sincronizzato. Dopo la laurea in Scienze della Comunicazione ha conseguito un Master in PNL (Programmazione neuro Linguistica). Ha sempre fatto della comunicazione uno stile di vita, comunicare è un bisogno primario, sia per l'uomo che per gli animali. Lo sport è per la Boccardi qualcosa di immenso un elisir della felicità, qualcosa di cui non potrebbe farne a meno, una passione: "quando nuoto non penso, mi rilasso". Quando non nuota adora scrivere. Autrice del romanzo *E Quindi?!*, edizioni Alter-Ego, dove per l'intera narrazione ci si trova immersi nell'acqua, la Boccardi è uscita questa estate con il suo secondo romanzo *Verde Pallido* dove riappare l'elemento acqua ed ora alle prese con la sua nuova opera *Roma città chiusa*, delle riflessioni sul Covid e su come lei e gli italiani vivono questa guerra. Spazia dall'acqua, alla scrittura, al teatro passando per la televisione e al cinema vivendo il tutto con entusiasmo e passione.

**Loco Motrix** Amelia Rosselli, 2012-03 A musician, musicologist, and self-defined "poet of research," Amelia Rosselli (1930-96) was one of the most important poets to emerge from Europe in the aftermath of World War II. Following a childhood and adolescence spent in exile from Fascist Italy between France, England, and the United States, Rosselli was driven to express the hopes and devastations of the postwar epoch through her demanding and defamiliarizing lines. Rosselli's trilingual body of work synthesizes a hybrid literary heritage stretching from Dante and the troubadours through Ezra Pound and John Berryman, in which playful inventions across Italian, English, and French coexist with unadorned social

critique. In a period dominated by the confessional mode, Rosselli aspired to compose stanzas characterized by a new objectivity and collective orientation, “where the I is the public, where the I is things, where the I is the things that happen.” Having chosen Italy as an “ideal fatherland,” Rosselli wrote searching and often discomposing verse that redefined the domain of Italian poetics and, in the process, irrevocably changed the Italian language. This collection, the first to bring together a generous selection of her poems and prose in English and in translation, is enhanced by an extensive critical introduction and notes by translator Jennifer Scappettone. Equipping readers with the context for better apprehending Rosselli’s experimental approach to language, *Locomotrix* seeks to introduce English-language readers to the extraordinary career of this crucial, if still eclipsed, voice of the twentieth century.
