

Forma De Gobierno No Democratica

Pedro Pablo Figueroa

Social Science Elgin F. Hunt, David C. Colander, 2005 This classic text provides a revised and updated survey of the social sciences, written in an unbiased manner with a multidisciplinary, common sense approach. Comprehensive coverage incorporates elements of anthropology, economics, political science, sociology, history, and geography. The twelfth edition highlights the dramatic political and economic changes that have swept the world in recent years, including extensive examinations of the impact of the 9/11/01 terrorist attacks in the Political Science and Economics chapters.

Conference Series United States. Department of State, 1929

Léxico de la política Varios, 2000 Selección de ideas y conceptos relacionados con el análisis político actual, también cuestiona la vigencia de paradigmas sociales y políticos ya tradicionales, profundizando en el verdadero significado e historia de términos como democracia, tolerancia, modernidad o ciudadanía.

Diccionario de la Democracia Patricio Marcos, 2012-10 El Diccionario de la Democracia contiene la teoría y la ideología de los regímenes democráticos: sus antecedentes; orígenes; principios; modalidades de deliberación y leyes; sus instituciones clave y variedades, acorde con la clase social que los dirige y el arreglo institucional correlativo. Asimismo compara sus principios, leyes e instituciones con otros regímenes, particularmente con sus opuestos, las oligarquías o gobiernos de pocos, pero también con la república, la tiranía y la realeza; las razones de Estado que permiten su conquista, conservación y estabilidad; las fuentes internas y externas que los amenazan; las maneras de corromperse y las revoluciones que los afectan. Trata también de los usos, costumbres y caracteres democráticos; inventaría los rasgos éticos de la vida democrática, por sí mismos y comprobados con los de los ricos, las clases medias y los tiranos, hasta detallar las relaciones que sostienen entre sí dirigentes y dirigidos, hombres y mujeres, viejos, jóvenes, maestros y alumnos, ciudadanos y animales..., por el impacto que la libertad e igualdad popular tienen en la vida pública y privada de sus pueblos. Parte medular del mismo es la exposición de las doctrinas, dogmas, leyes e instituciones del modelo liberal moderno de la democracia; un credo que se analiza en calidad de justificación del nouveau régime por parte de sus ideólogos modernos más destacados y lúcidos, quienes desvían el significado de las palabras] democracia] y] liberal] atribuidas sin más a los Estados modernos.
