LL Leslie

The Ethics of Fur Andrew Linzey, Clair Linzey, 2023-07-24 This is the first multidisciplinary book that addresses the ethics of fur. Whatever might have been true of the past, the production of fur is now morally problematic in terms of both necessity and suffering. There is no necessity in killing animals for nonessential purposes, such as adornment, fashion, or vanity. The argument for utility simply doesn't hold up. Alternative clothing is now readily available, enduring, and less costly. Worse still, since we know that the animals exploited are sentient, causing them suffering or making animals liable to suffering is arguably intrinsically wrong. The purpose of this volume is to open up and advance further the ethical, political, and specifically legislative endeavors now moving at pace and to encourage the anti-fur movement. That said, there is much to learn from this book about the history, culture, and political arguments for and against fur that should interest scholars and students, as well as those engaged on either side of the debate. It is not common for academics to engage with pressing and contentious moral issues, and we pay tribute to our eighteen contributors for leading the way.

Stories of a Small Town Farm Boy Eric Duling, 2023-01-22 *Stories of a Small Town Farm Boy* takes author Eric Duling's 1960s childhood on a big-family farm and brings it to life starting with the story of an anxious child trying to acclimate into the first grade when all he's ever known has been farm life. His stories encompass grade school through graduate school as well as a teaching career and early retirement. Duling wrote *Stories of a Small Town Farm Boy* because when he left the rural life weighing two very different career paths—engineering professor and singer/songwriter—he realized that not only could he communicate, and communicate well with others, but that they liked his stories. They heard in his stories their own. And so, with this book of humorous yet poignant stories, Duling hopes to continue to entertain you, make you laugh, and yes, connect.

Ashlae Ascending Michael Farnum, 2019-03-14 Ashlae Rae Wildflower is the unacknowledged love child of a very important man. Like most of us, or anyone with half a humanoid brain, the mercurial Miss Ashlae is on a simple path, a lifelong quest for truth and justice and love. She is also on a mission to free every pole dancer and professional sex escort, at least in the greater Phoenix area, from the unsavory chains and shackles of our twisted, perverted, piggish male-dominated

global elite-ruled society. Fight the Dark Powers! But most importantly, she seeks the highest possible approval rating of the most powerful political figure on the planet. Or at least in America. Her long-lost Daddy. Mr. President. God bless America, and President Daddy.
