Leaders of the Pack Sean MacLeod, 2015-09-03 In *Leaders of the Pack: Girl Groups of the 1960s and their Influence on Popular Culture* musician and music historian Sean MacLeod surveys the hundreds of girl groups that appeared not only in the United States but also in Great Britain during the early 1960s. This study corrects the neglect of their critical contribution of popular music history by exploring the social and political climate from which the girl groups emerged and their effect, in turn, on local and national music and culture. MacLeod organizes his argument around seven leading girl groups: The Shirelles, The Crystals, The Ronettes, The Marvelettes, The Vandellas, the Supremes and The Shangri-Las. These seven “sister” groups serve as the basis for a broader look at the many girl groups of the period, offering a roadmap through the work of the many stakeholder—the singers, songwriters, producers, and record labels—that the girl group phenomenon made possible. MacLeod also reviews the significant influence girl groups had on the many male bands of the 1960s, as well as their influence on the post-’60s movements, from punk to new wave, ultimately serving as the template for the girl groups and all-girl bands that emerged in the 1980s. Finally, *The Leaders of the Pack* brings us to the present as MacLeod compares the original girl groups with female performers of today, drawing lines of connection and contrast between them. *Leaders of the Pack* is essential reading for students, scholars, and fans of 1960s music and culture. It will further interest anyone interested in women’s studies, modern American and British culture, and music history, with important forays into such topics as the Civil Rights Movement, second and third wave feminism, and post-war life.

Angel of Love Lily Amis,2016-07-18 Isn't it remarkable how just one single person can change your entire life in a positive or negative way? Feeling loved by someone, who you love unconditionally and unquestioningly is the most beautiful feeling in the world. And feeling unloved, rejected and ignored by the same person is the most painful, heartbreaking and devastating feeling ever - it rips your heart out, it kills your soul. That's how I came up with the idea of the book *Angel of Love*. A man, who first heated my frozen heart. A man, who made me fall in love for the very first time. A man, who became the Angel of

Love for my lonely heart. A man who filled my frozen heart with love, passion and hope. A man, who became the healing crème for my empty soul turned suddenly and completely unexpectedly into poison for my soul. What do you do in a situation like this? Especially when the person ignores you completely and you're on an one-way communication street. I tried to find the perfect suitable song to make him understand how I feel. How his rejection was hurting, upsetting, disappointing and humiliating. Million love songs are written around the world, and still I couldn't find any lyric that would describe my emotion. Even a list with the most sad, heartbreaking songs ever was not helpful at all. Nothing described my pain. So I started to write my own lyrics as a self-therapy. Looking at them now, I guess many readers with an injured heart will agree that my lyrics describe their emotions like no other song lyric before. Well I hope you like what you read and some of it, if not all of it encourages you in difficult times. Enjoy the quotes and the wonderful pictures that my mum Sima has taken. Angel of Love contains lyrics for readers with an injured heart and open scars. 28 Song lyrics, Illustrations and quotes inspired by the Short Romance Book Angel of Love & Lily, Zak my sweet inspiration. The Song lyric My Angel of Love was awarded by the UK Songwriting Contest 2015 with a Commended Entry Certificate and scored 5 from maximum 10 points which indicates that me, the lyricist have demonstrated real songwriting ability and understanding.
