Harold Wallace Ross, Katharine Sergeant Angell White

Gabriel Nikki Kelly, 2015-10-27 Back on Earth, Lailah is still caught between her alternate immortal identities, part angel descendant, and part vampire, and on the run with the rogue angel descendant Gabriel and vampire Ruadhan from both the Arch Angels and the Pureblood Vampires--but the greatest danger may lie with her mixed up emotions and her attraction to the vampire Jonah.

Marginalisation and Utopia in Paul Auster, Jim Jarmusch and Tom Waits Adriano Tedde, 2022-03-30 This book explores how three contemporary American artists through the mediums of film, literature and popular music have contributed to the tradition of American progressivism, and provides an invaluable companion to the understanding of complex issues such as inequality and social and economic decline that are apparent in America today. Connecting the works of these artists through a fictional country - the 'Other America' - the book shows how they have refuted middle-class values and goals of success, money and social affirmation to unveil the less celebrated, dark side of contemporary America, which, despite the troubles currently faced, never loses hope for a better future. This utopic vision in the face of adversity is explored through the plots, characters and mis-en-scène of Auster and Jarmusch's work and Waits's lyrics and sound. This vision challenges the dominant narratives of America as the land of opportunity and values democracy, civic engagement, communitarianism and egalitarianism. Offering an important new perspective to literature on contemporary American culture, this book will be of interest to students and scholars of American studies, film studies, popular music, postmodern literature, cultural studies and sociology.

Temptation K.M. Golland, I'm a stay-at-home mum and happily married to my high school sweetheart. Sound familiar? My guess is that's where the similarities end because I've just returned to work, and my new boss is not only one of the wealthiest men in the country, but he's also the sexiest man I've ever seen. Smart. Powerful. A gentleman. Bryce Clark gets everything he wants, and he wants me. Our chemistry is intense, undeniable, and unavoidable. Perhaps it's fate. He has me questioning everything about my life: what I have, what I want... what I need. Will I risk everything I've ever known and succumb to temptation?

Parenting George W. Holden, 2019-12-19 The Third Edition of George W. Holden's *Parenting: A Dynamic Perspective* provides a highly accessible and intellectually rich review of what is currently known about parenting. Written from a

psychological perspective but with applications to other disciplines, the text discusses a wide range of contemporary issues such as fertility problems, daycare, marital conflict, divorce, gay parents, and family violence. Additionally, Holden includes studies from developing and non-Western countries, as well as recent statistics on such topics as U.S. and world birthrate, birth problems, adolescent pregnancy, child injury, divorce and remarriage, child maltreatment, and certain social policy issues.

The Films of the Nineties Robert A. Nowlan,Gwendolyn Wright Nowlan,2001 The 1990s saw numerous actors break onto the scene in the movie industry and achieve great fame, while others received only little, if any, recognition. The 1990s also had blockbuster films that were not to be forgotten as well as bombs that were. This filmography, of course, has them all, good and bad. From Abilene to Zooman, over 3,000 feature-length English language films released between January 1, 1990, and December 31, 1999, are presented. Each entry has alternate titles, running time, detailed cast and production credits, a synopsis, often including critical comments, and Academy Award nominees and winners.
