Kit Averin is anything but a gambler. A scientist with a quiet, steady job at a university, Kit's focus has always been maintaining the acceptable status quo. Now an unexpected inheritance has brought Will back to that same address, where he plans to offload his new property and get back to his regular life as an overworked doctor. Instead, he encounters a woman, two balconies above, who’s uncannily familiar . . . No matter how surprised Nora Clarke is by her reaction to handsome, curious Will, or the whispered pre-dawn conversations they share, she won’t let his plans ruin her quirky, close-knit building.
