*That Deadman Dance* by Kim Scott Janet Hutchinson, 2011

*That Deadman Dance* Kim Scott, 2011 Big-hearted, moving and richly rewarding, *That Deadman Dance* is set in the first decades of the 19th century in the area around what is now Albany, Western Australia. In playful, musical prose, the book explores the early contact between the Aboriginal Noongar people and the first European settlers. The novel's hero is a young Noongar man named Bobby Wabalanginy. Clever, resourceful and eager to please, Bobby befriends the new arrivals, joining them hunting whales, tilling the land, exploring the hinterland and establishing the fledgling colony. He is even welcomed into a prosperous local white family, where he falls for the daughter, Christine, a beautiful young woman who sees no harm in a liaison with a native. But slowly - by design and by accident - things begin to change. Not everyone is happy with how the colony is developing. Stock mysteriously starts to disappear; crops are destroyed; there are 'accidents' and injuries on both sides. As the Europeans impose ever stricter rules and regulations in order to keep the peace, Bobby's Elders decide they must respond in kind. A friend to everyone, Bobby is forced to take sides: he must choose between the old world and the new, his ancestors and his new friends. Inexorably, he is drawn into a series of events that will forever change not just the colony but the future of Australia...

**The Cambridge Companion to the Australian Novel** Nicholas Birns, Louis Klee, 2023-03-02 The Cambridge Companion to the Australian Novel provides a clear, lively, and accessible account of the novel in Australia. The chapters of this book survey significant issues and developments in the Australian novel, offer historical and conceptual frameworks, and demonstrate what reading an Australian novel looks like in practice. The book begins with novels by literary visitors to Australia and concludes with those by refugees. In between, the reader encounters the Australian novel in its splendid contradictoriness, from nineteenth-century settler fiction by women writers through to literary images of the Anthropocene, from sexuality in the novels of Patrick White to Waanyi writer Alexis Wright's call for a sovereign First Nations literature. This book is an invitation to students, instructors, and researchers alike to expand and broaden their knowledge of the complex histories and crucial present of the Australian novel.

Ecospectrality Laura A. White, 2020-05-14 Along with humans and animals, ghosts populate the pages of contemporary Anglophone novels. Analysing novels from across the world-including Australia, Nigeria, South Africa, India, and Jamaica,

this book explores how these ghosts can help readers to perceive difficult-to-visualise environmental threats and access marginalised environmental knowledge. Instead of prompting fear, these hauntings foster understanding across species and generations to enable inclusive formulations of environmental justice. Drawing on the latest work in postcolonial ecocriticism, hauntology, and environmental philosophy and such literary texts as *GraceLand*, *No Telephone to Heaven*, *The Rock Alphabet*, and *The Ministry of Utmost Happiness*, *Ecospectrality* is an essential read for anyone working in the environmental humanities today.

**Taboo** Kim Scott, 2017-07-25 From the two-times winner of the Miles Franklin Award From Kim Scott, two-times winner of the Miles Franklin Literary Award, comes a work charged with ambition and poetry, in equal parts brutal, mysterious and idealistic, about a young woman cast into a drama that has been playing for over two hundred years ... *Taboo* takes place in the present day, in the rural South-West of Western Australia, and tells the story of a group of Noongar people who revisit, for the first time in many decades, a taboo place: the site of a massacre that followed the assassination, by these Noongar's descendants, of a white man who had stolen a black woman. They come at the invitation of Dan Horton, the elderly owner of the farm on which the massacres unfolded. He hopes that by hosting the group he will satisfy his wife's dying wishes and cleanse some moral stain from the ground on which he and his family have lived for generations. But the sins of the past will not be so easily expunged. We walk with the ragtag group through this taboo country and note in them glimmers of re-connection with language, lore, country. We learn alongside them how countless generations of Noongar may have lived in ideal rapport with the land. This is a novel of survival and renewal, as much as destruction; and, ultimately, of hope as much as despair. LONGLISTED FOR THE INDIE BOOK AWARDS FICTION 2018 LONGLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD 2019 PRAISE FOR TABOO If Benang was the great novel of the assimilation system, and That Deadman Dance redefined the frontier novel in Australian writing, Taboo makes a strong case to be the novel that will help clarify - in the way that only literature can - what reconciliation might mean Australian Book Review Scott's book is stunning - haunted and powerful ... Verdict: Must Read Herald Sun Remarkable Stephen Romei, Weekend Australian Stunning prose Saturday Paper This is a complex, thoughtful, and exceptionally generous offering by a master storyteller at the top of his game The Guardian Undaunted, and daring as ever Scott goes back to his ancestral Noongar country in Western Australia's Great Southern region; back in time as well to killings (or a massacre, the point is contested) of whites and Aborigines there in 1880. . . Taboo never becomes a revenge story, whether for distant or recent wrongs . . . The politics of Taboo - not to presume or simplify too much - are quietist, rather than radical. Ambitious, unsentimental [and] morally challenging Sydney Morning Herald Scott is one of the most thoughtful, exciting and powerful storytellers of this continent today, with great courage and formidable narrative prowess- and Taboo is his most daring novel yet Sydney Review of Books

**On Kim Scott** Tony Birch,2024-04-30 An illuminating essay on the bestselling Noongar writer and author of the Miles Franklin Award-winning novels Benang and That Deadman Dance 'I value Kim Scott's fiction so highly because I feel that his approach is to put the flags aside. That Deadman Dance asks us not to consider who we were so much as who we could be, collectively, in the future.' Noongar writer Kim Scott has won the Miles Franklin Award twice for his novels. In this moving essay, Tony Birch shows how Scott uses fiction as a pathway to truth. We meet a writer who 'inhabits a range of guises, faces he wears to interrogate the complex and messy frontier history of colonial encounters'. The result is 'new stories' for the nation. This, says Birch, is the work that Kim Scott has been doing for many years.
