**Paul Dunn,Ronald J. Baker**

**The Firm of the Future** Paul Dunn,Ronald J. Baker,2012-06-12 Provides accountants in small and medium sized firms the tool to expand services beyond attest and compliance functions. Shows how to transition to other professional services that clients value. Provides a pro-forma business plan for mapping a three to five year plan for the transition to a successful practice. Positions consulting as an extension to traditional services, not just an alternative. Includes many real world examples of accountants who have made a successful transition to new services, discussing the challenges and the results achieved. Focuses on quality of life issues and how to get there.

**Management** Robert Kreitner,2001 Now in its tenth edition, Management continues to offer a practical, student-oriented approach to four central themes: change, diversity, ethics, and globalization. Author Robert Kreitner relies on more than 30 years of research and teaching experience to ensure that students gain a solid understanding of management principles. In addition to coverage of timely and relevant issues such as corporate responsibility, the text promotes skill development through hands-on exercises and team-building activities. With all data and examples updated to reflect current

trends, the Tenth Edition integrates issues from popular culture and media, putting topics in context and engaging students. A range of pedagogical features--including in-text and video cases, Internet activities, and interactive annotations--support students as they prepare for the rigors of contemporary management.
