Just Some Stupid Love Story Katelyn Doyle, 2024-06-04 “A flirty, sexy read...Fresh and fun as hell—Katelyn Doyle is absolutely an author to watch.” —People Magazine For fans of Emily Henry, a debut about a rom-com screenwriter who doesn't believe in love and a divorce attorney who does, forced together at their high school reunion fifteen years after their breakup Molly Marks writes Hollywood rom-coms for a living—which is how she knows “romance” is a racket. The one and only time she was naive enough to fall in love was with her high school boyfriend, Seth—who she ghosted on the eve of graduation and hasn't seen in fifteen years. Seth Rubinstein believes in love, the grand, fated kind, despite his job as, well...one of Chicago's most successful divorce attorneys. Over the last decade, he's sought “the one” in countless bad dates and rushed relationships. He knows his soulmate is out there. But so far, no one can compare to Molly Marks, the first girl who broke his heart. When Molly's friends drag her to Florida for their fifteenth high school reunion, it is poetic justice that she's forced to sit with Seth. Too many martinis and a drunken hookup later, they decide to make a bet: whoever can predict the fate of five couples before the next reunion must declare that the other is right about true love. The catch? The fifth couple is the two of them. Molly assures Seth they are a tale of timeless heartbreak. Seth promises she'll end up hopelessly in love with him. She thinks he's delusional. He has five years to prove her wrong. Wickedly funny, sexy, and brimming with laughs and heart like the best romantic comedies, *Just Some Stupid Love Story* is for everyone who believes in soulmates—even if they would never admit it.

The Ensemble Aja Gabel, 2019-06-25 Pitch-perfect. —People You won't be able to quit these characters. —goop The addictive novel about four young friends navigating the cutthroat world of classical music and their complex relationships with each other, as ambition, passion, and love intertwine over the course of their lives. Jana. Brit. Daniel. Henry. They would never have been friends if they hadn't needed each other. They would never have found each other except for the art which drew them together. They would never have become family without their love for the music, for each other. Brit is the second violinist, a beautiful and quiet orphan; on the viola is Henry, a prodigy who's always had it easy; the cellist is Daniel, the oldest and an angry skeptic who sleeps around; and on first violin is Jana, their flinty, resilient leader. Together, they are the Van Ness Quartet. After the group's youthful, rocky start, they experience devastating failure and wild success, heartbreak and marriage, triumph and loss, betrayal and enduring loyalty. They are always tied to each other - by career, by the intensity

of their art, by the secrets they carry, by choosing each other over and over again. Following these four unforgettable characters, Aja Gabel's debut novel gives a riveting look into the high-stakes, cutthroat world of musicians, and of lives made in concert. The story of Brit and Henry and Daniel and Jana, *The Ensemble* is a heart-skipping portrait of ambition, friendship, and the tenderness of youth.

Virginia Woolf, Revaluation and Continuity Ralph Freedman, 1980

Virginia Woolf Ralph Freedman, 2024-06-28 The renaissance of Virginia Woolf reflects a reassessment not only of Woolf as a writer but also of our social and political life as a whole. It points up differences between English and American readers, between older and younger critics, between men and women. Particularly striking in the revaluation is a tendency to approach Woolf as a soliloquist, a person, rather than as a detached and formal artist. In this collection, Ralph Freedman has brought together some of Woolf's most interesting commentators, whose varied concerns, traditional and modern, demonstrate the vitality and scope of Woolf criticism. *Virginia Woolf: Revaluation and Continuity* contains essays by Ralph Freedman, Harvena Richter, James Hafley, Avrom Fleishman, F. P. W. McDowell, Jane Marcus, Lucio Ruotolo, Maria DiBattista, Jean O. Love, Madeline Moore, James Naremore, and B. H. Fussell. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1980.
