Jen Calonita

Mirror, Mirror Jen Calonita, 2019-04-02 *Mirror, Mirror: A Twisted Tale* poses the question, what if the Evil Queen poisoned the prince? Following her beloved mother's death, the kingdom falls into the hands of Snow White's stepmother, commonly referred to as the Evil Queen by those she rules. Snow keeps her head down at the castle, hoping to make the best of her situation. But when new information about her parents resurfaces and a plot to kill her goes haywire, everything changes for Snow. With the help of a group of wary dwarfs, a kind prince she thought she'd never see again, and a mysterious stranger from her past, Snow embarks on a quest to stop the Evil Queen and take back her kingdom. But can she stop an enemy who knows her every move and will stop at nothing to retain her power... including going after the ones Snow loves?

12 to 22 Jen Calonita, 2023-08-01 A smart and funny modern day 13 Going on 30 from New York Times bestselling author Jen Calonita! A tween girl finds out it is like to be 22 when she jumps in time with the help of a mysterious TikTok

filter. The perfect gift for readers who want to feel 22 like Taylor Swift's iconic song! Turning 12 1/2 shouldn't be the most exciting birthday in the world. It's a half birthday after all. But Harper is thrilled because she is getting the biggest gift of all: her parent's approval to finally get social media accounts. Except when she goes to post her first photo, there is a filter she has never heard of before. One that shows you what you will look like when you are older. Curious, Harper clicks on it...but ends up flash forwarding in time to when she is 22. She will quickly find that being in her twenties means the freedom she always wanted, money for the glow up she didn't know she needed and working for her idol! But Harper soon discovers a lot more has changed than she expected—including the person she wants to be. Will Harper be able to use the filter to get the life of her dreams? Or will there be more glitches?

The Retake Jen Calonita, 2022-02-08 “A book about a time-traveling app? I’m in! Jen Calonita strikes again with a coming-of-age middle grade full of wit and a little bit of magic. ” —Sarah Mlynowski, New York Times bestselling author of the *Whatever After* and *Upside Down Magic* series A brilliant friendship story that champions kindness, resilience and the courage to challenge long held expectations - both of others and of yourself. --Lauren Myracle, co-author of the New York Times best-selling *Upside-Down Magic* series You can retake your photos...but what if could redo moments in your life too? With one magical app, Zoe is able to do just that! A smart and funny twist on time travel from New York Times bestselling author Jen Calonita, for fans for Disney's *Zapped* and *The Swap*. Zoe knows that the only thing harder than middle school is losing a best friend. She and Laura used to do everything together from taking silly selfies, to joining all the same clubs together and even throwing surprise birthday parties for one another. But lately things have been weird between them. Now Laura will post a photo of her hanging out with other girls before responding to Zoe's simple text. She doesn't even want to sit with her at lunch anymore. Zoe is heartbroken--all she wants is for things to go back to normal. But then a magical app downloads on her phone...and things get even weirder! Suddenly Zoe can travel back in time to moments where her and Laura started drifting apart. It is like a dream come true. A chance for Zoe to mend their friendship. But as Zoe goes back to moments of middle school drama--sleepover games gone wrong, field trips with cliques and crushes, and school projects that bring on more-than-awkward encounters--she realizes that second chances don't always go as planned and that sometimes you need to trust the magic of new beginnings. *The Retake* is a picture-perfect look at tween friendship, that also explores more serious themes of social media pressure, bullying and what it means to be yourself. Jen Calonita puts a magical spin on all-to-real middle school drama. Warm, witty and wise, *The Retake* is for anyone who has broken up with a best friend and wished they could go back to the way it used to be.—Megan McCafferty, author of *True to Your Selfie* and Jessica Darling’s *It List* series As addictive as your favorite app, you won't be able to put it down. - Stacy McAnulty, the author of *The Miscalculations of Lightning Girl*

A Whole New World Liz Braswell, Disney Book Group, 2015-09-01 What if Aladdin had never found the lamp? This first

book in the A Twisted Tale line will explore a dark and daring version of Disney's Aladdin. When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. To stop the power-mad ruler, Aladdin and the deposed princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war. What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary. And readers will never look at the story of Aladdin in the same way again.

Adaptation in Young Adult Novels Dana E. Lawrence, Amy L. Montz, 2020-09-03 *Adaptation in Young Adult Novels* argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten. The textual afterlives of classic texts raise questions for new readers: What can be changed? What benefits from change? How can you, too, be agents of change? The contributors to this volume draw on a wide range of contemporary novels – from Rick Riordan's Percy Jackson series and Megan Shepherd's Madman's Daughter trilogy to Jesmyn Ward's *Salvage the Bones* – adapted from mythology, fairy tales, historical places, and the literary classics of Shakespeare, Charles Dickens, Jane Austen, and F. Scott Fitzgerald, among others. Unpacking the new perspectives and critiques of gender, sexuality, and the cultural values of adolescents inherent to each adaptation, the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally, historically, and socially aware through the lens of literary diversity.

Unbirthday Liz Braswell,2020-09-01 What if Wonderland was in peril and Alice was very, very late? Alice is different than other eighteen-year-old ladies in Kexford, which is perfectly fine with her. She'd rather spend golden afternoons with her trusty camera or in her aunt Vivian's lively salon, ignoring her sister's wishes that she stop all that nonsense and become a respectable member of society. Alice is happy to meander to Miss. Yao's teashop or to visit the children playing in the Square. She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he was sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects-the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all-a badly-injured dark-haired girl asking for Alice's help. Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she able to do so . . . before the End of Time?

Art Directors in Cinema Michael L. Stephens,1998 Often forgotten among the actors, directors, producers and others associated with filmmaking, art directors are responsible for making movies visually appealing to audiences. As such they sometimes make the difference between a hit and a bomb. This biographical dictionary includes not only the world's great and almost-great artists, but the unjustly neglected film designers of the past and present. Among the more than 300 art directors and designers are pioneers from silent films, designers from Hollywood and Europe's Golden Ages, Asian figures, post-Golden Age personalities, leaders of the European and American New Waves, and many contemporary designers. Each entry consists of biographical information, an analysis of the director's career and important films, and an extensive filmography including mentions of Academy Award nominations and winners.
