

Paul Stanley Kiss Book

Ace Frehley,Joe Layden,John Ostrosky

Face the Music Paul Stanley,2014-04-08 The rock icon and co-founder of KISS recounts his turbulent life behind the face paint in this New York Times bestselling memoir. With his onstage persona, the “Starchild”, Paul Stanley made rock & roll history—thrilling countless fans with hard rock anthems and elaborate stage shows. But his famous makeup hid a difficult life. In *Face the Music*, Stanley shares a gripping blend of personal revelations and gritty war stories about the highs and lows both inside and outside of KISS. Born with a condition called microtia (an ear deformity rendering him deaf on the right side), Stanley's traumatic childhood experiences produced an inner drive to succeed in the most unlikely of places: music. Taking readers through the series of events that led to the founding of KISS, the personal relationships that helped shape his life, and the dynamics among his bandmates, this book leaves no one unscathed—including Stanley himself. With never-before-seen photos and images throughout, *Face the Music* is a colorful portrait of a man and the band he helped create, define, and sustain—made larger than life in artfully told stories that are shocking, funny, inspirational, and honest.

Kiss Gene Simmons,Paul Stanley,2002 With over 150 photos--most of which are published here for the first time--Gene Simmons and Paul Stanley take readers on an intimate tour of the early days of KISS. Full color and b&w.

Backstage Pass Paul Stanley,2019-04-30 NATIONAL BESTSELLER The New York Times bestselling author and front man and rhythm guitarist of KISS grants fans an all-access backstage pass to his personal life and shows them how to pursue a rock ‘n’ roll lifestyle of their own, offering hard-won advice from a music legend. In this follow-up to his popular bestseller *Face the Music*, the Starchild takes us behind the scenes, revealing what he’s learned from a lifetime as the driving force of KISS, and how he brings his unique sensibility not only to his music career but to every area of his life—from business to parenting to health and happiness. *Backstage Pass* takes you beyond the makeup as Paul shares fascinating details about his life—his fitness routine, philosophy, business principles, how he maintains his inspiration, passion, and joy after nearly 50 years of mega success including selling out tours, 100 million albums sold and an art career that has amassed over 10 million dollars in sales. Divulging more true stories of the Rock & Roll Hall of Famer’s relationships, hardships, and pivotal moments, it also contains intimate four-color, never-before-seen photos from Paul’s personal collection, and offers surprising lessons on the discipline and hard work that have made him one of the healthiest and most successful rock ‘n’ roll icons in history. This is the book for fans who love living large, but also want to take control and move ahead in everyday life. Paul shows you how

you can rock 'n' roll all night and party every day—without missing a beat.

Kiss Adult Coloring Book Lydia Rock,2017-08-22 Kiss (often stylized as KISS) is an American rock band formed in New York City in January 1973 by Paul Stanley, Gene Simmons, Peter Criss, and Ace Frehley. Well known for its members' face paint and stage outfits, the group rose to prominence in the mid-to-late 1970s with their elaborate live performances, which featured fire breathing, blood-spitting, smoking guitars, shooting rockets, levitating drum kits, and pyrotechnics. The band has gone through several lineup changes, with Stanley and Simmons the only remaining original members.

KISS Kompendium Gene Simmons,Paul Stanley,2009-12-08 In '77, blood from each member of the rock band KISS was drawn by a registered nurse and poured into vats of red ink used for printing the band's first comic book. It was created by Marvel legend Stan Lee and was the beginning of a hugely successful KISS comic book franchise. All are now out of print. Now, for the first time, the KISS Kompendium combines the most breathtaking KISS comic books into a lush oversized collector's compilation. Brought to life by graphic illustrations as riveting and hardcore as the band's real-life fire-breathing line-up, the Demon (Gene Simmons), Starchild (Paul Stanley), and the other band members' superhero alter egos defeat evil in over 1200 pages of stunning KISS comics! This is a book authorized by KISS. KISS founding members Gene Simmons, a rock legend and star of A&E's Family Jewels, and Paul Stanley have contributed the forewords to this. The book also includes exclusive never-before-seen backstage photos from KISS' newest tour along with commentary by the band-members. This is a must-have for every KISS fan eagerly awaiting the band's new album, their first in over 10 years, and a perfect holiday gift for comic-book lovers to pour over time and time again.

Live to Win - A Casual Guide to the Music of Kiss Frontman Paul Stanley Neil Daniels,2015-08-19 As Starchild, the frontman of the iconic American rock band KISS, Paul Stanley is undoubtedly one of rock music's greatest showmen. He has co-written some of the most successful rock songs of all time and some of rock's most enduring arena anthems such as 'Rock And Roll All Nite', 'Shout It Out Loud' and 'Detroit Rock City'. He was the driving force behind the band during some of their most difficult periods, notably in the 1980s. But there is more to Paul Stanley than KISS. He has released two solo albums (1978's self-titled offering and 2006's Live To Win), performed in a theatrical production of Phantom Of The Opera, contributed to movie soundtracks, and committed himself to various musical and charitable causes. He is also an avid painter and has exhibited and sold his works. From the author of books on Richie Sambora, Brian May, Neal Schon, Rob Halford, Joe Perry and Adam Lambert, Live To Win celebrates Stanley's musical legacy and gives nuggets of information and trivia about his career as well as a biography, discographies, a timeline, reviews and tributes from leading musicians and respected music writers. There are also previously unseen live photographs of the American rock icon. Live To Win is essential reading for KISS and Paul Stanley fans.

Encyclopedia of KISS Brett Weiss,2017-08-11 The self-proclaimed Hottest Band in the World, KISS is one of the most

popular groups in the history of rock, having sold more than 100 million albums during their more than 40-year reign. With more gold albums than any other American band, they were inducted into the Rock and Roll Hall of Fame in 2014. KISS influenced a generation of musicians, from Garth Brooks and Motley Crue to Nirvana and the Red Hot Chili Peppers. The original leather-clad, makeup-wearing line-up--Ace Spaceman Frehley, Gene Demon Simmons, Paul Starchild Stanley and Peter Catman Criss--and their classic hits Beth and Rock and Roll All Nite are forever etched in pop culture consciousness. This encyclopedia of all things KISS provides detailed information on their songs, albums, tours, television and movie appearances, merchandise, solo work and much more, including replacement members Eric Carr, Vinnie Vincent, Bruce Kulick, Mark St. John, Eric Singer and Tommy Thayer.

The Kiss Interviews Warren Lapine, 2007-02 Collected here for the first time are sixteen interviews and articles with and about the hottest band in the world: KISS. Warren Lapine is an experienced interviewer and a long time KISS fan. This book is just what the doctor ordered for the hard core KISS fan. These interviews are insightful and intelligent, Lapine asks Paul Stanley and Gene Simmons the questions that KISS fans want to have answered.

No Regrets Ace Frehley, Joe Layden, John Ostrosky, 2011-11-01 THE MUSIC, THE MAKEUP, THE MADNESS, AND MORE. . . . In December of 1972, a pair of musicians placed an advertisement in the Village Voice: "GUITARIST WANTED WITH FLASH AND ABILITY." Ace Frehley figured he had both, so he answered the ad. The rest is rock 'n' roll history. He was just a boy from the Bronx with stars in his eyes. But when he picked up his guitar and painted stars on his face, Ace Frehley transformed into "The Spaceman"—and helped turn KISS into one of the top-selling bands in the world. Now, for the first time, the beloved rock icon reveals his side of the story with no-holds-barred honesty . . . and no regrets. For KISS fans, Ace offers a rare behind-the-makeup look at the band's legendary origins, including the lightning-bolt logo he designed and the outfits his mother sewed. He talks about the unspoken division within the band—he and Peter Criss versus Paul Stanley and Gene Simmons—because the other two didn't "party every day." Ace also reveals the inside story behind his turbulent breakup with KISS, their triumphant reunion a decade later, and his smash solo career. Along the way, he shares wild stories about dancing at Studio 54 with "The Bionic Woman," working as a roadie for Jimi Hendrix, and bar-flying all night with John Belushi. In the end, he comes to terms with his highly publicized descent into alcohol, drugs, and self-destruction—ultimately managing to conquer his demons and come out on top. This is Ace Frehley. No makeup. No apologies. No regrets.

KISS Steve Gerber, 1977

Focus On: 100 Most Popular American Tenors Wikipedia contributors,

Kiss and Make-Up Gene Simmons, 2001-12-11 You wanted the truth, you got the truth—the hottest book in the world! Fueled by an explosive mix of makeup, costumes, and attitude, KISS burst onto the music scene thirty years ago and has become a rock institution. The band has sold more than eighty million records, has broken every concert attendance record

set by Elvis Presley and the Beatles, stands behind the Beatles alone in number of gold records from any group in history, and has spawned more than 2,500 licenses. There would have been no KISS without Gene Simmons, the outrageous star whose superlong tongue, legendary sexual exploits, and demonic makeup have made him a rock icon. KISS and Make-Up is the wild, shocking, unbelievable story, from the man himself, about how an immigrant boy from Israel studied to be a rabbi, was saved by rock and roll, and became one of the most notorious rock stars the world has ever seen. Before Gene Simmons there was Chaim Witz, a boy from Haifa, Israel, who had no inkling of the life that lay ahead of him. In vivid detail Gene recounts his childhood growing up in Haifa under the watchful eye of his beloved, strong-willed mother, a concentration camp survivor; his adolescent years attending a Jewish theological center for rabbinical studies in Brooklyn; his love of all things American, including comic books, superheroes, and cowboys; and his early fascination with girls and sex, which prompted him to start a rock band in school after he saw the Beatles on The Ed Sullivan Show. KISS and Make-Up is not just the classic story of achieving the American dream through the eyes of an immigrant boy making good, but a juicy, rollicking rock and roll read that takes you along for the ride of your life with KISS, from the 1970s, when they were the biggest band in the world, through the '80s, when they took off their world-famous war paint, and into the '90s, when they came back bigger and badder than ever to become the number one touring band in the world. In his own irreverent, unapologetic voice, Gene talks about the girls (4,600 of them and counting); his tight bond with KISS cofounder Paul Stanley; the struggles he and Paul had with Ace Frehley and Peter Criss and their departures from the group; the new band members and Eric Carr's untimely death; the enormous love and affection he has for the people who put him there in the first place—the KISS Army and the ever-loyal KISS fans around the world; his love life, including stories about his relationships with Cher and Diana Ross and with Shannon Tweed, Playmate of the Year, mother of his son and daughter, and his companion of eighteen years; and much more. Full of dozens of photographs, many never-before-seen pictures from Gene's private collection, KISS and Make-Up is a surprising, intimate look at the man behind the mask. For the first time Gene reveals all the facets of his complex personality—son, rock star, actor, record producer, businessman, ladies' man, devoted father, and now author.

Kiss Members Source Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 25. Chapters: Paul Stanley, Gene Simmons, Ace Frehley, Peter Criss, Eric Carr, Vinnie Vincent, Bruce Kulick, Eric Singer, Mark St. John, Kiss band members, Tommy Thayer. Excerpt: Gene Simmons (born Chaim Witz Hebrew: August 25, 1949) is a rock bassist, singer, songwriter, musician, actor, and businessman. Known as The Demon, he is the bassist/vocalist of Kiss, a hard rock band he co-founded in the early 1970s. Simmons was ranked number 12 in Roadrunner's list of 50 Best Frontmen in Metal History. Chaim Witz (later Gene Simmons) was born at the Rambam Hospital in Haifa, Israel in 1949. The family emigrated to Jackson Heights, Queens in New York City when he was eight years old. His mother Flora Klein was born in Jand, Hungary. The German name Klein

(means: small) translates to Hungarian as Kiss, that gave the rock band's name. Florence and her brother, Larry Klein, were the only members of the family to survive the Holocaust. His father, Feri Witz, also Hungarian-born, remained in Israel. Simmons says the family was dirt poor, scraping by on bread and milk. In the United States, Simmons changed his name to Eugene Klein (later Gene Klein), adopting his mother's maiden name. He attended Yeshiva Torah Vodaath in Williamsburg, Brooklyn as a child, from 7 a.m. to 9:30 p.m. Simmons became involved with his first band, Lynx, then renamed The Missing Links, when he was a teenager. Eventually, he disbanded The Missing Links to form The Long Island Sounds, the name being a play on words relating to the estuary separating Long Island from Westchester County, New York, Connecticut and Rhode Island. While he played in these bands, he kept up odd jobs on the side to make more money, including trading used comic books. Simmons attended Sullivan County Community College in Loch Sheldrake, New York. He then joined a new band, Bullfrog...

The Rock Band Kiss James Malone, 2025-10-11 From the smoke-filled clubs of New York City to the world's biggest arenas, KISS faced endless doubt and criticism. Record executives dismissed them as a gimmick. Critics questioned their talent beneath the face paint. The media mocked their outrageous stage shows, calling them too theatrical for rock. Even within the band, egos clashed and creative tensions threatened to destroy everything they built. Yet behind the spectacle was a relentless determination to prove that KISS was not just a show, but a force that would redefine what rock 'n' roll could be. Every era brought new trials. From the struggles of the early 1970s when money was tight and fame felt distant, to the turbulent solo years that tested their unity, KISS never had an easy ride. The unmasking years in the 1980s challenged their identity, while the digital age tested their relevance. Yet through lineup changes, financial risk, and shifting musical landscapes, the band continued to evolve finding strength in reinvention and loyalty in the ever-growing KISS Army. Their resilience turned obstacles into milestones and failure into fuel. This book takes you on an electrifying journey through every chapter of KISS's legendary career from their early struggles and rise to fame, to the global tours, reinventions, and legacy that made them one of the most iconic rock bands in history. You'll explore how Paul Stanley, Gene Simmons, Ace Frehley,

and Peter Criss created a revolution in live performance, branding, and fan culture. Expect explosive stories, behind-the-scenes insights, and explore how four men in makeup transformed rock into a multimedia empire. If you've ever felt the pulse of a guitar riff or the thrill of a crowd chanting your name, this is your invitation to experience the phenomenon that is KISS. Turn the page and step into a world of fire, passion, and rock immortality. Join the legacy. Feel the spectacle. Live the legend because with KISS, the show never ends.

Makeup to Breakup Peter Criss, 2012-10-23 LEGENDARY founding KISS drummer Peter “Catman” Criss has lived an incredible life in music, from the streets of Brooklyn to the social clubs of New York City to the ultimate heights of rock ‘n’ roll success and excess. KISS formed in 1973 and broke new ground with their elaborate makeup, live theatrics, and powerful sound. The band emerged as one of the most iconic hard rock acts in music history. Peter Criss, the Catman, was the heartbeat of the group. From an elevated perch on his pyrotechnic drum riser, he had a unique vantage point on the greatest rock show of all time, with the KISS Army looking back at him night after night. Peter Criscuola had come a long way from the homemade drum set he pounded on nonstop as a kid growing up in Brooklyn in the fifties. He endured lean years, street violence, and the rollercoaster music scene of the sixties, but he always knew he’d make it. Makeup to Breakup is Peter Criss’s eye-opening journey from the pledge to his ma that he’d one day play Madison Square Garden to doing just that. He conquered the rock world—composing and singing his band’s all-time biggest hit, “Beth” (1976)—but he also faced the perils of stardom and his own mortality, including drug abuse, treatment in 1982, near-suicides, two broken marriages, and a hard-won battle with breast cancer. Criss opens up with a level of honesty and emotion previously unseen in any musician’s memoir. Makeup to Breakup is the definitive and heartfelt account of one of rock’s most iconic figures, and the importance of faith and family. Rock ‘n’ roll has been chronicled many times, but never quite like this.

Paul Stanley Kiss Book Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has

revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Paul Stanley Kiss Book PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of

their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access

educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Paul Stanley Kiss Book PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Paul Stanley Kiss Book free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of

charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Paul Stanley Kiss Book Books

1. Where can I buy Paul Stanley Kiss Book books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
