**Clarissa Smith**

*Porn for Women* Cambridge Women's Pornography Cooperative, 2007-04-05 Prepare to enter a fantasy world. A world where clothes get folded just so, delicious dinners await, and flatulence is just not that funny. Give the fairer sex what they really want beautiful PG photos of hunky men cooking, listening, asking for directions, accompanied by steamy captions: I love a clean house! or As long as I have two legs to walk on, you'll never take out the trash. Now this is porn that will leave women begging for more!

*At Home with Pornography* Jane Juffer, 1998 Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals. She shows, for instance, how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women. In her pursuit to understand what women like and how they get it, Juffer delves into adult cable channels, erotic literary anthologies, sex therapy guides, cyberporn, masturbation, and sex toys, showing the degrees to which these materials have been domesticated for home consumption.

*Porn for Women of a Certain Age* Cambridge Women's Pornography Cooperative, 2010-07-01 Photos of the silver, sexy superheroes we deserve: mature men who can warm up your bed and fix your (obviously) broken scale. Just how long do you plan on defying the laws of gravity? Responding to overwhelming demand, the Cambridge Women's Pornography Cooperative has researched deeply into the desires of women of a certain age. The result: forty steamy scenarios show hunky yet distinguished men catering to every whim. These handsome hotties insist she take an early retirement, delight in the silver in her hair, and best of all, take over the cooking and cleaning. Mrow! Scientifically proven to make women swoon, *Porn for Women of a Certain Age* will leave the ladies begging for more. Praise for *Porn for New Moms* "Genius gift idea . . . (I'll be getting one for each of the 10 baby showers I have in the next three months!)" —Glamour Magazine "It's a book we wouldn't mind sharing with every mother we know." —Parenting.com "This new book from Chronicle has got to be my favorite baby shower gift idea this year." —RookieMom.com

***Porn for the Working Woman*** The Cambridge Women's Pornography Cooperative, 2013-03-19 It's an equal-pay world in the newest installment of the hot-selling *Porn for Women* series. Fresh flowers abound, the company masseuse is always

on hand to rub those tired feet, and promotions happen with delightful frequency. *Porn for the Working Woman* presents 40 seductive scenarios with glossy captioned photos from the Cambridge Women's Pornography Cooperative. Back by popular demand, the hunks are steamier than ever, and this time, they come with replacement ink cartridges and mandatory yoga breaks. It's enough to make you take the day off—but who wants to miss the daily dessert cart? This will sweeten the 9–5 for any working woman.

**The Feminist Porn Book** Tristan Taormino, Constance Penley, Celine Shimizu, Mireille Miller-Young, 2013-02-19 The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving.

**Girls Watch Too! Female Fascination with Porn** Dana Brown Smith, 2015-04-25 Research shows that women are viewing pornography at a rapidly increasing rate. If you are among women who watch and are concerned—even alarmed—that you can't stop, in *Girls watch too!* you will find hope ... and help. Coming from the experience, mind and heart of a woman who was caught in a fascination with porn, the book challenges traditional thinking of guilt, shame and condemnation. If you would like to step free, you will find a practical path of psychological, emotional and, in the bonus section, scriptural/spiritual techniques to doing just that.—Publisher.

**At Home with Pornography** Jane Juffer, 1998 Twenty-five years after the start of the feminist sex wars, pornography remains a flashpoint issue, with feminists locked in a familiar argument: Are women victims or agents? In *At Home with Pornography*, Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women's changing relationship to erotica and porn. Over the course of these same twenty-five years, there has been a proliferation of sexually explicit materials geared toward women, made available in increasingly mainstream venues. In asking what is the relationship of women to por.

Women Sex & Pornography Beatrice Faust, 1982

*Porn for New Moms* Cambridge Women's Pornography Cooperative, 2008-03-05 Features photographs of dads getting up for 3 am feedings, skipping golf to bond with the wee one, stocking the freezer with homemade baby food, changing every single nappy and complimenting mum's all-sweatpants wardrobe.

**Pornography** Andrea Dworkin, 2025-02-25 Andrea Dworkin's 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women. Essential and discomfiting reading in a social media era, where women's bodies are being commodified and displayed more than ever. Andrea Dworkin's seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women. Her discussion of pornography as an outgrowth of the power that men exert over women—the power of owning, the power of money, and the power of sex, among others—still blazes with its clarity and immediacy, and illustrates how these inequities, while displayed in raw form in pornography, are endemic in all media. With a lively and deeply compelling voice, Andrea Dworkin succinctly

outlines her anti-pornography stance. Though the media environment may have changed, this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies.

*A Taste for Brown Sugar* Mireille Miller-Young, 2014-12-08 *A Taste for Brown Sugar* boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller-Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation, and ambition and the need to make ends meet. Miller-Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small—a costume, a gesture, an improvised line—as small acts of resistance, of what she calls illicit eroticism. Building on the work of other black feminist theorists, and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires, as well as their participation and representation in the adult entertainment industry. Miller-Young wants the voices of black women sex workers heard, and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

Take Back the Night Laura Lederer, 1982 Looks at the dangers of pornography and explores the issue of limiting those dangers without violating the right to freedom of speech

**One for the Girls!** Clarissa Smith, 2007 Against the claims of the increasing sexualization of culture, one truism is constantly rehearsed - that women have little taste for pornography. *One for the Girls!* offers a new basis for understanding women's pleasures in sexually explicit materials, focusing on the production and consumption of *For Women* magazine. This thought-provoking book argues that theories of harm and women's subordination have deflected attention away from the lived experiences and practices of pornography. By focusing on an individual publication, this book illuminates the ways in which pornography is a social product and subject to a range of institutional practices which influence its styles and presentations. The investigation is complemented by a study of *For Women* readers, offering a multi-dimensional understanding of their relationships with this soft-core magazine--P. [4] of cover.

*Pornography Feminism* Rich Moreland, 2015-01-30 During the sex wars of the 1980s, sex-positive feminism entered the adult film industry with a performer support group known as Club 90. Over the next three decades feminism found a home among an influential group of women in pornography. *Pornography Feminism: As Powerful as She Wants to Be* is a popular history of this unfolding saga told largely through personal interviews along with scholarly works, previous popular histories, and film reviews.

**XXX** Wendy McElroy, 1995 An unconventional argument for the preservation of pornography argues that pornography can serve to benefit the feminist movement and promote sexual freedom for women, and explores the historical relationship between women and porn. Tour.

**Porn for New Moms** Cambridge Women's Pornography Cooperative,2008-03-01

After Pornified Anne G Sabo,2012-10-26 Porn brings up a lot of negative images in our sexualized, pornified culture. But today a growing number of women are radically changing porn to respectfully capture the authentic sexual lives of women and men, empowering and inspiring the viewer to claim her sexuality against a sexualized culture, and creating a real counterweight to pornified media and porn as it's been known. In these women's hands porn has become a vehicle for women to explore and define sexuality on their terms, shining the light on how we can all break free from traditional gender roles and shatter erotic conventions. Tracing the movement from its inception, *After Pornified* visualizes this transformed porn to the reader in a way that no other book on porn has done, so that she too can see the power and potential of this new porn by women to free our minds and bodies from the demeaning imageries of our sex in all other porn and pornified media. Porn affects us. Today, women are leading the way to make those effects empowering.

*Violence against Women in Pornography* Walter DeKeseredy, Marilyn Corsianos,2015-11-19 *Violence against Women in Pornography* illuminates the ways in which adult pornography hurts many women, both on and off screen. A growing body of social scientific knowledge shows that it is strongly associated with various types of violence against women in intimate relationships. Many women who try to leave abusive and/or patriarchal men also report that pornography plays a role in the abuse inflicted on them by their ex-partners. On top of these harms, male pornography consumption is strongly correlated with attitudes supporting violence against women. Many researchers, practitioners, and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim. *Violence against Women in Pornography*, unlike books written mainly for scholarly and general audiences, specifically targets students enrolled in undergraduate criminology, deviance, women's studies, masculinities studies, human sexuality, and media studies courses. Thoughtful discussion questions are placed at the end of each chapter, and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding. The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media, including that from the dark side of the Internet.

**Restored** Alice Taylor,2019-11-15 Porn: Not just a guy's issue. *Restored* is a one-of-a-kind book, written for those often forgotten in the conversation on pornography addiction and recovery- women. *Restored* is a practical, step-by-step guide that includes real stories and topics relevant to women, all from a Christian perspective.

**Prostitution, Pornography and Trafficking in Women** Esther Hertzog, Erella Shadmi,2019-01-15 This book critically analyzes the sex industry in Israel, using feminist concepts and scholarship to elaborate on the power of prostitution to shape a world in which women are objects for fulfilling men's desires. A comprehensive collection of research-based articles that examine prostitution, trafficking in women and pornography from divergent disciplinary angles, it reveals the

interconnectedness of these three aspects of the sex trade which objectifies, commercializes and exploits human – and in particular women’s – sexuality. Showing these practices to be embedded in a capitalist and patriarchal oppressive context that is accommodated by state institutions, this volume rejects the argument that it is possible to choose prostitution, and that feminist pornography is possible. With case studies including the conspicuous context of migration that attracts sex traffickers, the liberal discourse introduced by cinema, the media and the arts that serve to legitimate prostitution and pornography, the chauvinist-macho culture that perceives and treats women as sex objects, and the issues of male prostitution and men as clients, *Prostitution, Pornography and Trafficking in Women: Israel’s Blood Money* constitutes a study of Israel as a unique context in which the sex trade can prosper, in spite of geographical, religious and institutional constraints. As such, it will be of interest to scholars of sociology, anthropology, history, cultural studies and gender and women’s studies.
