How to Live an Extraordinary Life Anthony Pompliano,2024-09-24 Anthony Pompliano writes 65 letters to his children with inspiring lessons on how to succeed in business, have great relationships, do well with money, and live a healthier and happier life. What does it take to make the most of what really matters (and to know what that is before it passes you by)? To overcome obstacles that set most people back (and to see them coming beforehand)? To flourish not just financially – but also in your family, free time, and the world of business? What does it take to live an extraordinary life? The answers will surprise you. Anthony Pompliano has lived in a war zone, met and interviewed the world's wealthiest people, built and sold companies, invested in more than 200 businesses, formed friendships around the globe, started a loving family, and found happiness. Along the way, he has kept a personal list of the lessons he has learned. Now, in *How to Live an Extraordinary Life*, he writes 65 letters to his children laying out each lesson and how he learned it, and explaining how it can be applied by anyone in their life today. The result is a compelling collection of practical and inspiring life strategies that anyone can use to build an extraordinary life. You will find unique advice about using your childhood as a chisel, understanding that luck is not real, living your life as a documentary, developing unshakable resilience, becoming a happier person, and much, much more. Most importantly, Anthony shows that an extraordinary life is within reach for anyone who wants it. You can start right now.

Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers a reason for the hope that is in you.
