Dum Spiro, Spero: Chambersburg's Black Civil War Soldiers and Sailors Luther Scott Karper, Jr., 2013-05-13 These essays were written by Shippensburg University History majors in 2010 as a class assignment for their required historical research methods course. It was no ordinary class. At the beginning of the course their professor challenged them

to uncover the hidden history of the African-American soldiers and sailors buried in Chambersburg's Mt. Vernon and Lebanon Cemeteries. Over the course of the semester, the students located long-forgotten records and pieced together the remarkable stories of these forgotten heroes. These works have been revised and republished to mark the 150th anniversary of the Emancipation Proclamation, and the 150th anniversary of the United States War Department's issuance of General Order Number 143 on May 22, 1863-the order that established the federal Bureau of Colored Troops.

The Unquotable Abraham Lincoln Lochlainn Seabrook,2016-01-10 If we're to believe the nearly 20,000 books that have been written about President Lincoln by pro-North and New South historians, he was an ardent abolitionist, a Bible-believing Christian, and a Constitution-loving conservative who headed the most ethical administration in U.S. history, preserved the Union, ended American slavery, and became the black man's greatest champion by granting him full civil and equal rights. In fact, according to Lincoln's own words, nothing could be further from the truth. After reading this eye-opening book, you'll be asking yourself the question: Why then does Lincoln continue to be annually voted America's best, favorite, and most important president by people of all ages, races, religions, and political persuasions? The answer-well-known to Southerners for the past 150 years-is that the real Lincoln has been carefully concealed from us by his faithful worshipers, the Lincolnites, some who are simply uninformed, others who will stop at nothing to keep you from learning the facts about our sixteenth chief executive and his unconstitutional, unnecessary, and unjustifiable war. In this handy Civil War Sesquicentennial Edition of The Unquotable Abraham Lincoln, Southern historian and award-winning Tennessee author Lochlainn Seabrook closely examines the politically incorrect statements they don't want you to know. Included here, among some 230 footnoted entries, are Lincoln's controversial, even un-American, views on his presidency, the government, the U.S. Constitution, states' rights, the Union, his war on the South, abolition, slavery, colonization, African-Americans, Mexicans, mulattos, the Confederacy, the Southern people, his Emancipation Proclamation, Jesus, the Bible, Christianity, and more. This is an indispensable work for those interested in the American Civil War, for without a true and complete understanding of Lincoln one will never have a

true and complete understanding of the conflict itself. Available in paperback and hardcover. Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the new Shelby Foote, he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller *Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!* His other works include: *The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War*; *Confederate Flag Facts: What Every American Should Know About Dixie's Southern Cross*; *Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition*; and *Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!*

Over Lincoln's Shoulder Bruce Tap, 1998 A history of the activities of the Committee on the Conduct of the War (COCOW), established by the American Congress shortly before the beginning of the Civil War. The study focuses on the nature of its power and influence on military policy in order to show its true impact.
