*Quotationary - The A-Z Book of Quotations* Nasser Amiri,2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

**May I Quote You on That?** Stephen Spector,2015-07-02 A guide to English grammar and usage for the twenty-first century, pairing grammar rules with interesting and humorous quotations from American popular culture.

The World According to Alexander McQueen Louise Rytter,2022-11-15 A stylish collection of legendary designer Alexander McQueen's maxims on fashion, women, beauty, and nature, presented in an attractive gift format. Growing up in London's East End, Alexander McQueen left school at fifteen to become a tailor's apprentice on Mayfair's Savile Row. At twenty-two, he attended the prestigious art and design college Central Saint Martins and, after presenting his 1992 graduate collection that was bought on the spot by influential fashion stylist Isabella Blow, went on to change the course of fashion history. Celebrated for his uniquely radical aesthetic, McQueen has captured the public's imagination as few other fashion designers have before or since. Like his designs, McQueen was de ant in his opinions. His quotes on creativity, "You've got to know the rules to break them. That's what I'm here for, to demolish the rules but to keep the tradition"; and women, "I design clothes because I don't want women to look all innocent and naive. . . . I want people to be afraid of the women I dress"; make this a thoroughly thought-provoking book. Featuring specially commissioned illustrations, this is the perfect gift for fans of fashion and of McQueen, capturing the sharp wit and unbridled spirit of a true visionary.

*Faith and Fashion* Julie Cole,Graham Cole,2022-08-24 We all wear clothes. But are you concerned that your fashion choices are mere vanity or wasteful or environmentally harmful? The question is how to look our best in a responsible and wise way that avoids guilt, vanity, and immodesty. Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration: Jules as a fashion designer and Graham as a theologian. This book pays attention to differences in

body type and the challenge of best fit and does so in an environmentally sustainable way. In this work, you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill. The book seeks to honor the God of the Bible who values beauty. The discussion culminates in considering the ultimate wardrobe change. Fashions come and go, but to be clothed with Christ is never out of date.
