The Final Film of Laurel and Hardy Norbert Aping,2014-01-10 The remarkable story behind the planning, development and marketing of Laurel and Hardy's ill-received final film, Atoll K, has been little explored. Details on the script development, cast, crew, locations, and even basic information on running times and release dates have been sketchy at best since the film's 1951 release. This work reconstructs the circumstances surrounding this unusual international co-production (Atoll K was a French-Italian film with English-speaking stars). Through lost documents detailing the film's production and funding, previously unreleased behind-the-scenes photos, and a rare interview with French movie star Suzy Delair, the author explores the continuous changes to the film's script during its chaotic production and the final marketing of the film's many different versions (Atoll K was also released as Robinson Crusoland in the United Kingdom and as Utopia in the United States). Several appendices detail alternative sequences and cut scenes in various versions of the film and include French box-office reports from 1951 to 1952 as well as a complete filmography.

Reel Bad Arabs Jack G. Shaheen,2012-12-31 A groundbreaking book that dissects a slanderous history dating from cinema's earliest days to contemporary Hollywood blockbusters that feature machine-gun wielding and bomb-blowing evil Arabs Award-winning film authority Jack G. Shaheen, noting that only Native Americans have been more relentlessly smeared on the silver screen, painstakingly makes his case that Arab has remained Hollywood's shameless shorthand for bad guy, long after the movie industry has shifted its portrayal of other minority groups. In this comprehensive study of over one thousand films, arranged alphabetically in such chapters as Villains, Sheikhs, Cameos, and Cliffhangers, Shaheen documents the tendency to portray Muslim Arabs as Public Enemy #1—brutal, heartless, uncivilized Others bent on terrorizing civilized Westerners. Shaheen examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywood's defamation of Arabs.

It Came from the 80s! Francesco Borseti,2016-08-16 From their heyday in the 1950s and 1960s, B movies declined in popularity through the 1970s. As the big Hollywood studios began to make genre films with sky-high budgets, independent producers of low-budget movies could not compete in theaters. The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era. The emergence of home video in the 1980s marked the beginning of a new phase, as dozens of B movies were produced each year for the small screen, many becoming cult classics of science fiction, horror and fantasy. Through numerous interviews with producers, directors, photographers and actors, this book sheds light

on an overlooked corner of film history with behind-the-scenes stories of 28 low-budget favorites from the 1980s.
