Code of Silence Shantel Tessier, 2025-11-24 Dangerous and feared. Those words describe my future husband. Who just so happens to also be my ex-boyfriend. It's complicated. Two years ago, he broke my heart when he left me to do his father's bidding. After months of crying, I finally accepted he was gone and wasn't going to look back. That maybe he'd never loved me at all. I never wanted to see Luca again. Now a cruel twist of fate has signed me over to him in a heartless deal. I'm his. He thinks he did me a favor, but I feel like I've been given a death sentence. He doesn't want to get married because he still loves me. No, he did it for money. More power. I'm going to be a mafia wife. And there's only one way out of it. Death. But as it turns out, someone else doesn't want me to marry the ruthless Luca Bianchi. And if he has his way, I'll see that early grave. Due to mature content and themes this book is recommended for readers aged eighteen and over. *Code of Silence* is an arranged marriage and a complete standalone. This novel may contain triggers.

Bones Shantel Tessier, 2025-11-24 BONES I got my name from breaking the bones of a kid who picked on my younger brother, but that's only where it started. My black heart craves violence, and being a King gives me plenty of opportunities. When a friend comes to me for help because someone he loves is in danger, I'm happy to do so. After all, my friends are few, and they are my family. Once I have her, I do what I have to in order to protect her. She thinks she's in hell, but this is child's play compared to what she would have faced. She's an innocent through and through and completely off-limits. But that's not enough to stop me from doing what I do best—taking what's mine. MIA I was born into a deadly Mafia family, yet I'm a nobody. To the world, I don't exist. Shuffled from Vegas as a child and sent to Italy for my protection, I became invisible. Until they found a use for me. Now I'm a card my father can play. A chance to cash in on the family name to the highest bidder. Taken from my home, I'm sold to a King. His hard blue eyes take no prisoners. He's just another pretty face to hide the evil and in no way my savior. Now I know what hell looks like because I'm living it. But just when I think I can finally be free, it all comes crashing down, and the King I thought would end me is the only one who can save me. All I wanted was to be somebody, but now I wish I'd stayed the nobody. BONES is the fifth book in The Dark Kingdom series. Due to mature content and themes this book is recommended for readers aged eighteen and over. This novel may contain triggers.

Cross Shantel Tessier, 2025-11-24 CROSS Have you ever stood next to a fire and felt the heat of it on your skin? Stared into the flames and thought how amazing it would be to be that free? It changes direction with the wind, destroying

everything in its wake. That's what she felt like. Alexa was a wildfire that torched everything she touched, and I couldn't wait to be consumed by her. She was off-limits. Even though I promised to stay away, I couldn't resist. She was the spark I had been missing in my life. The fire I craved. I knew from an early age I was destined to burn in hell, but she was born to walk through fire. ALEXA I was single-minded, focused, and independent. Just how my mother raised me. I didn't have time for anything other than myself and work. Funny how everything can change in an instant when you least expect it. A King entered my life. What was supposed to be one night ended up being too many to count. He was afraid that I'd see his darkness, but I couldn't get enough of him. After all, a fire burns the brightest in the dark of night. And it only takes one match to cause total devastation. CROSS is the fourth book in The Dark Kingdom series. Due to mature content and themes this book is recommended for readers aged eighteen and over. This novel may contain triggers.

Grave Shantel Tessier, 2025-11-24 GRAVE My life went to hell years ago, and I've had a death wish ever since then with fast cars, women, and drugs. They don't call me Grave for nothing! But I do it because I need to feel something... anything. What's life worth living without the high? And then I saw her! She's too good for me, and I should stay away. But like an addict, I switch one drug for another, and I'll be taking her to hell with me. APRIL I'm anything but sweet, despite what people think, so when he tells me I'm too good for him and I'm better off without him, I don't listen. My life was simple before Grave stepped through that door, but who wants simple? He makes me feel alive. It only took one, and I became addicted! But that's the problem. Addiction is Grave's middle name, and when he tells me he's taking me to hell with him, I don't know whether to take that as a threat or a promise! Grave is the third book in The Dark Kingdom series. Due to mature content and themes this book is recommended for readers aged eighteen and over. This novel may contain triggers.

Sabotage Shantel Tessier,2025-11-24 COLTON Raylee Lexington Adams is my stepsister and the one woman in the world who can make my blood boil. She's vindictive, a lot of crazy, and absolutely stunning. I hate everything about her except for when she's on her knees begging me to use her as my own personal toy. We've been playing a game of cat and mouse for far too long. We have used each other for our own sick pleasure. I've ruined every relationship my little princess has ever had. A sure way that she'll come crawling back to me, begging me for what only I can give her when another man fails her. But I'm tired of watching others get a piece of what is mine. So, I did what any rational man would do—I staked my claim, showed the world that she belonged to me, and I'm going to do whatever it takes to make her believe it too. RAYLEE Colton Remington Knox is a man I despise but can't say no to. He's what any girl would call a walking red flag. But I've never claimed to be a smart woman when it comes to men. Why should he be any different? I've always managed to hold my own against him. But this time, he's gone too far. Posting a video of me on my knees for him, for what? To brag? Embarrass me? People already think I have no dignity, so why let them down now?

Carnage Shantel Tessier, 2023-10-30 A PUPPET The men in the secret society known as the Lords think they rule the world. And in a way, they do. Each has sold their soul to the devil at a young age in exchange for power and wealth. Like anything else, they have different levels of success. The more they're willing to serve, the more power they have. Among them are the Spade brothers, who run Carnage. It's where the Lords who have not held up their oath go to live out the rest of their lives in shackles. Tucked away from the world as if they never existed. I VOW. YOU VOW. WE VOW. I once belonged to a Lord--Saint Beckham Carter. Although nothing was holy about him, I still kneeled as if he could grant me eternity in a world where only evil existed. At the time, I willingly vowed to be his and allowed him to share me with his brothers. But things changed. And what I thought couldn't get any better got exceptionally worse. So I did the only thing I could and ran from him, knowing I could never return. Now he's found me and dragged me back to his hell, where he will make me his pet. The world already

thinks I'm dead, so no one will miss me. And I'm just another name on a long list of those who will never know freedom. What he doesn't know is why I ran from him in the first place. A Lord doesn't listen to reason, so it's not like he'd care anyway. Saint was born a Lord, and he will die as one. If life has taught me anything, it's that we all pay for our sins. And Saint will never let me forget that my place is at Carnage, serving him on my knees until death is granted.

Titan reappeared like a ghost haunting me. One look and I knew he recognized me. I never forgot him or what we shared. Those feelings that no one else knew existed between us.
