Love Quotes by ImMortal1105 Amar Kumar Gupta, 2019-09-26 Love ... what an amazing feeling. Everyone out there starve for love, knows love and want love but very few of them actually knows how to be in love for forever. On one hand, today's youth fall in love so passionately and so quickly that they have no idea. On the other hand, they get separated with the same pace ridiculously. My collection of quotes will give some glimpse of journey of today's relationship from perfection to separation. Its not a big deal to maintain the same passion in relationship throughout the life. But today's youth give more importance to their ego and

The Mirror of Simple Souls Margaret Porette, 1999-05-15 When Dr. Romana Guarnieri, in a letter to Osservatore Romano (16 June 1946), announced her discovery that Margaret Porette (d. 1 June 1310) was the author of *The Mirror of Simple Souls*, certainly a major French document of pre-Reformation spirituality, a sensation was created in the academic world. Although *The Mirror* is one of the few heretical documents to have survived the Middle Ages in its entirety, both its title and its authorship were among the most persistent and troublesome problems of scholarly research in the field of medieval vernacular languages. *The Mirror*, in its original French, survives only in the fifteenth-century manuscript which the great Condé (Louis II de Bourbon) had acquired for his palace at Chantilly. And, so far as can be known, all that remains with which to compare the readings of this manuscript text are those translations of *The Mirror* which, also in manuscript, are to be found in Latin, Italian, and Middle English. This edition of *The Mirror of Simple Souls* is a translation from the French original with interpretive essays by Edmund Colledge, O.S.A., Judith Grant, and J.C. Marler, and a foreword by Kent Emery, Jr. The translators of this Modern English version rely primarily on the French, yet take other medieval translations into account. As a result, this edition offers a reading of *The Mirror* which solves a number of difficulties found in the French, and the introductions contributed by the translators narrate the archival history of the book, for which Margaret Porette was burned alive in Paris in 1310.

The Immediacy of Mystical Experience in the European Tradition Miklós Vassányi, Enikő Sepsi, Anikó Daróczy, 2017-01-19
This volume examines mystical experiences as portrayed in various ways by “authors” such as philosophers, mystics, psychoanalysts, writers, and peasant women. These “mystical authors” have, throughout the ages, attempted to convey the unsayable through writings, paintings, or oral stories. The immediate experience of God is the primary source and ultimate goal of these mystical expressions. This experience is essentially ineffable, yet all mystical authors, either consciously or unconsciously, feel an urge to convey what they have undergone in the moments of rapture. At the same time they are in the role of intermediaries: the goal of their self-expression – either written, painted or oral – is to make others somehow understand or feel what they have experienced, and to lead others toward the spiritual goal of human life. This volume studies the mystical experiences and the way they have been described or portrayed in West-European culture, from Antiquity to the present, from an interdisciplinary perspective, and approaches the concept of “immediate experience” in various ways.

Gothic Gnostic Anand Bose, 2023-06-19 This is a work of art. I have developed a new style of writing called Still Life Prose. still Life prose comes from Still Life painting and it's a depiction of objects using colorful epiphanies. My work is also a rewriting of the Philosophies of existentialism especially that of Camus and Sartre which negates and paints a dark picture of life. Life for the author is the celebration of meaning. The author has also developed new idioms for contemporary culture and society. The author also dissects his past, in a mode of critical irony. There are also many allusions made by the author.
