The Infinite Atonement Tad R. Callister, Thomas A. Wayment, 2006-10-01 The Infinite Atonement is rapidly becoming a classic, as it offers what may be the most comprehensive treatment of the Atonement in our day. With clarity, testimony, and understanding, Tad R. Callister teaches us rich and wonderful truths about this doctrine of doctrines, and elevates our spirits as we contemplate the perfect love of Him who gave us all that we might receive all.

America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective) Tad R. Callister, 2023-07-10 America's Destiny sets forth compelling evidence of America's divine origin and destiny—that it was a nation founded upon divine providence, not coincidence, as testified repeatedly by the Founding Fathers, respected historians, and statesmen. This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth. With that perspective, America's Destiny asks the question that should be on all of our minds, What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God? The economy, national security, immigration, gun control, poverty, racism, crime, national pandemics, climate change? While each of these is a valid concern and deserves attention, none of them strikes at the heart of our greatest challenge, namely, finding a way to build stronger homes and bring about a return to family, God, and moral values. To put our prime focus on challenges other than these is to strike at the leaves, not the root of the problem. It is now our choice and America's choice - to place our trust in the wisdom of God or the wisdom of the world - to be a nation under God or without God. If we become a nation under God, then we become eligible to receive the promise: Blessed is the nation whose God is the Lord. (Psalm 33:12)

If the Keystone Is Removed Samuel Hesman, 2025-02-28 In *If the Keystone Is Removed*, Samuel Hesman offers a thoughtful, evangelical review of the Church of Jesus Christ of Latter-Day Saints (the LDS Church), examining its essential doctrines and the history of its founding. With clarity and compassion, Hesman explores the claims of the LDS Church, such as the divine origin of the Book of Mormon, the authority of its prophets, and its distinct teachings about God, salvation, and the afterlife. Hesman carefully contrasts these doctrines with the teachings of evangelical Christianity. This book is not a polemic but an invitation to reflection and dialogue. It seeks to equip both LDS and evangelical readers with a set of tools to

better examine and understand their faiths. Whether a Christian wanting to strengthen one's theological foundation, an LDS reader curious about evangelical perspectives, or someone seeking an incisive overview of the LDS Church from an evangelical perspective, *If the Keystone Is Removed* offers a compelling journey through the core truths of faith, inviting all readers to consider the question, What remains when the keystone is removed?

O Wondrous Plan J. Peter Baumgarten, 2025-07-11 The idea of predestination, which seems to have a scriptural basis, is actually a Trojan horse. While appearing to many to be a gift of grace, it is actually full of deceptions and completely inconsistent to the plan of salvation-holding that man has no free choice and that God has already selected a favored few of his children for salvation while committing the rest (most of mankind) to damnation, regardless of merit. To explore this subject with maximum clarity, I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind. This presentation includes a detailed description of what the doctrine consists of, its origin and history, the scriptural authority referenced to support the doctrine, its implications, and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ. To better introduce this subject, I begin the first chapter of this book with a personal experience-an experience that heightened my own awareness of the issue.

The Infinite Atonement Tad R. Callister, Robert L. Millet, 2013-03-04 The author thoughtfully proves the infinite scope of the great and last sacrifice, describing its power and breadth and explaining how Christ's atonement redeems all mankind. This edition is filled with stunning, full-color illustrations by James C. Christensen, Simon Dewey, Greg Olsen, Walter Rane, and many other artists.

Press Forward in Christ: Finding Greater Access to the Savior's Grace in Troubled Times Christopher R. Greenwood, Mark D. Mason, 2023-03-04 What does it mean to be truly converted to Jesus Christ? To endure to the end? Mortal life is full of trials and temptations that can challenge our faith and impede our progress to return to our Heavenly Father's presence. It's easy to become discouraged, frustrated, or unmotivated when faced with what can feel like an impossible journey. But it's important to remember that the Lord does not demand or expect perfection in this life. All He asks is that we press forward in His name and find the strength to take the next step. Drawing from the teachings of the Savior, revelation from modern prophets, and personal anecdotes, authors Christopher R. Greenwood and Mark D. Mason guide you through gospel resources to strengthen your resolve and empower your understanding of Christ's Atonement. In *Press Forward in Christ*, you will • find the strength to continue the struggle toward God even when faced with adversity. • overcome mortal failings and continue forward with your faith intact. • become truly converted in the Lord and willingly accept His guidance. The way may be strait and narrow, but through trust in our Savior's glory and the determination to press forward, we can endure life's challenges faithfully and find lasting, eternal joy.

Latter-day Saint Perspectives on Atonement Deidre Nicole Green, Eric D. Huntsman, 2024-01-02 New approaches to a central area of Latter-day Saint belief The Church of Jesus Christ of Latter-day Saints and other Christians have always shared a fundamental belief in the connection between personal salvation and the suffering, death, and resurrection of Jesus Christ. While having faith in and experiencing the atonement of Christ remains a core tenet for Latter-day Saints, some thinkers have in recent decades reconsidered traditional understandings of atonement. Deidre Nicole Green and Eric D. Huntsman edit a collection that brings together multiple and diverse approaches to thinking about Latter-day Saint views on this foundational area of theology. The essayists draw on and go beyond a wide range of perspectives, classical atonement theories, and contemporary reformulations of atonement theory. The first section focuses on scriptural and historical foundations while the second concentrates on theological explorations. Together, the contributors evaluate what is efficacious and ethical in the Latter-day Saint outlook and offer ways to reconceive those views to provide a robust theological response to contemporary criticisms about atonement. Contributors: Nicholas J. Frederick, Fiona Givens, Deidre Nicole Green, Sharon J. Harris, J.B. Haws, Eric D. Huntsman, Benjamin Keogh, Ariel Bybee Laughton, Adam S. Miller, Jenny Reeder, T. Benjamin Spackman, and Joseph M. Spencer

The work also discusses Luther's controversies and topics such as gender, sexuality, and race. Publishing at the five hundredth anniversary of the Reformation, this is an essential reference work for understanding the Reformation and its legacy today.

America's Choice Tad R. Callister, 2022-10-05 BLESSED IS THE NATION WHOSE GOD IS THE LORD (Psalms 33:12) America-imperfect as it may be-is still the shining light on the hill to all the world. But it is now at a crossroad. Will we choose to be a nation under God or without God? America's Choice examines the overwhelming evidence of God's hand in the destiny of America-the divine calling of the Founding Fathers, their understanding that the Constitution is dependent upon a moral people, that morality requires religion, and that religion's purpose is to seek God's will. Accordingly, America's Choice explores God's will on critical moral matters such as the role of religion in the public sector, abortion, zero population growth, and capitalism vs. socialism. It proposes the ultimate solution to our country's ills, namely, a return to faith and family. In so doing this book challenges those revisionist historians, judicial activists, and secularists who would transform us from a nation under God to a nation without God. In essence, this book gives us cause to reaffirm our faith in America. In the 20 years I have lived in the United States I have seen a shift in the way people think and talk about this country. My reading of the situation is this: nothing is more essential to the United States than asking: Why does this country exist? To what end was it created: And then reading original sources of its founding to discover the breathtaking answers. Answers that are brilliantly illustrated by Tad Callister in America's Choice. Greg McKeown, New York Times Bestselling Author of *ESSENTIALISM* and *EFFORTLESS*
