The narrative situation in Poe's "The Tell-Tale Heart". An illustration of the captivating effect Kaja Schlothauer, 2021-05-17 Essay from the year 2020 in the subject American Studies - Literature, grade: 1,3, University of Hamburg, language: English, abstract: This paper focuses on the captivating effect of the autodiegetic narration and which significant differences would occur throughout The Tell-Tale Heart, if the narrator would be outside the diegesis, not a part of the story world (also called heterodiegetic narration). Therefore, the beginning starts with a closer interpretation of the narrator's character and their motives to plan the crime. Furthermore, the historical and literary context of The Tell-Tale Heart contributes to the argumentation. Followed by the context, the term paper includes a brief analysis of mad narrators in fiction. All arguments contain the information of several secondary sources. The conclusion provides an overview over the crucial arguments made in the main body of the paper and ultimately combines the interpretations in a final statement. The narrator in Edgar Allan Poe's The Tell-Tale Heart is perhaps the most striking feature of the short story. Although the protagonist declares his sanity right in the beginning of the story, the reader before long learns about the evident mental illness of the narrator. After all, their insanity and madness result in the murder of the old man. It is the feeling of paranoia, surveillance and nervousness that ultimately leads to the crime. The protagonist, however, evidently cannot be trusted and appears more and more unreliable. So what is merely imagination and what is truly genuine in The Tell-Tale Heart?

Tell-Tale Heart Edgar Allan Poe, 2009-09-01 It takes much deception, betrayal, and madness to commit a murder. Even more madness to cover up that murder. In this haunting tale we follow the detailed planning involved to rid the world of an Evil Eye. Will the beating of the tell-tale heart reveal the truth to the police? The Tell Tale Heart with an Alternate Ending ,

The Tell-Tale Heart Jill Dawson, 2015-02-10 A man's life and his capacity for love mysteriously changes after a heart transplant in this dramatic and affecting novel—as provocative and poignant as the works of Jodi Picoult, Jojo Moyes, and Alice Sebold—from the acclaimed Orange Prize nominee and author of Lucky Bunny. After years of excessive drink and sex, Patrick's heart has collapsed. Only fifty, he has been given six months to live. But a tragic accident involving a teenager and a motorcycle gives the university professor a second chance. He receives the boy's heart in a transplant, and by this miracle of science, two strangers are forever linked. Though Patrick's body accepts his new heart, his old life seems to reject him.

Bored by the things that once enticed him, he begins to look for meaning in his experience. Discovering that his donor was a local boy named Drew Beamish, he becomes intensely curious about Drew's life and the influences that shaped him-from the eighteenth-century ancestor involved in a labor riot to the bleak beauty of the Cambridgeshire countryside in which he was raised. Patrick longs to know the story of this heart that is now his own. In this intriguing and deeply absorbing story, Jill Dawson weaves together the lives and loves of three vibrant characters connected by fate to explore questions of life after death, the nature of the soul, the unseen forces that connect us, and the symbolic power of the heart.

The Tell-Tale Heart Edgar Poe, 2020-05-23 The Tell-Tale Heart is a short story by Edgar Allan Poe first published in 1843. It follows an unnamed narrator who insists on his sanity after murdering an old man with a vulture eye. The murder is carefully calculated, and the murderer hides the body by cutting it into pieces and hiding it under the floorboards. Ultimately the narrator's guilt manifests itself in the hallucination that the man's heart is still beating under the floorboards. It is unclear what relationship, if any, the old man and his murderer share. It has been suggested that the old man is a father figure or, perhaps, that his vulture eye represents some sort of veiled secret. The ambiguity and lack of details about the two main characters stand in stark contrast to the specific plot details leading up to the murder. The story was first published in James Russell Lowell's *The Pioneer* in January 1843. The Tell-Tale Heart is widely considered a classic of the Gothic fiction genre and one of Poe's most famous short stories. TRUE! - nervous - very, very dreadfully nervous I had been and am; but why will you say that I am mad? The disease had sharpened my senses - not destroyed - not dulled them. Above all was the sense of hearing acute. I heard all things in the heaven and in the earth. I heard many things in hell. How, then, am I mad? Hearken! and observe how healthily - how calmly I can tell you the whole story. It is impossible to say how first the idea entered my brain; but once conceived, it haunted me day and night. Object there was none. Passion there was none. I loved the old man. He had never wronged me. He had never given me insult. For his gold I had no desire. I think it was his eye! yes, it was this! He had the eye of a vulture - a pale blue eye, with a film over it. Whenever it fell upon me, my blood ran cold; and so by degrees - very gradually - I made up my mind to take the life of the old man, and thus rid myself of the eye forever. Now this is the point. You fancy me mad. Madmen know nothing. But you should have seen me. You should have seen how wisely I proceeded - with what caution - with what foresight - with what dissimulation I went to work! I was never kinder to the old man than during the whole week before I killed him. And every night, about midnight, I turned the latch of his door and opened it - oh so gently! And then, when I had made an opening sufficient for my head, I put in a dark lantern, all closed, closed, so that no light shone out, and then I thrust in my head. Oh, you would have laughed to see how cunningly I thrust it in! I moved it slowly - very, very slowly, so that I might not disturb the old man's sleep.
