James Herbert - The Authorised True Story 1943-2013 Craig Cabell, 2013-08-05 James Herbert reigned supreme as Britain's undisputed master of horror before his death in March 2013. But his legacy lives on in this fully authorised work, Craig Cabell examines the story behind horror writing's most darkly brilliant mind. For almost 40 years, Herbert was Britain's most popular horror author. With sales of over 50 million copies, he carved a niche in quality bestselling fiction all of his own. Famous for his Rats trilogy and *The Fog*, he broke away from the cut-and-thrust populist horror novels of the 1970s and 80s to more thought-provoking works, featuring the scientific reasoning behind the manifestations of the ghosts and spirits in which he truly believed. Books such as *Others*, *Once...* and *The Secret of Crickley Hall* bear testament to his growth as a writer and his continuing desire to chill his readers. Craig Cabell's exploration into the dark, sinister world of James Herbert is given incredible depth thanks to a series of over a dozen exclusive candid interviews. Drawing striking parallels between Herbert's career and the events of his life, this work sheds light on the personal demons which drove the boy from London's East End to become the pre-eminent horror writer of his generation. Cabell, a friend and confidant of Herbert's until the very end, shares personal correspondence and reminiscences - including one of Herbert's previously unpublished pieces entitled *To Ye All* - to complete a portrait of one of the most iconic authors of the 20th Century. Prepare to be gripped by the utterly absorbing last chapter in the life of the Master of Chills.

The Poe Cinema Don G. Smith, 2003-05-08 Who can forget haunting tales like "The Oblong Box," "Murders in the Rue Morgue," "The Pit and the Pendulum," and "Torture Garden"? This is a critical filmography of the 81 features from 13 countries that have adapted the literary works of Edgar Allan Poe. Each entry includes the title of the work, year of release,

studio, full cast and credits, running time and a detailed plot synopsis. Production and marketing notes first examine the degree to which the film is faithful to Poe's original work. Pertinent career information for the primary actors and filmmakers, anecdotes and perspectives from the principals, and an overview of the marketing of the movie are next provided. A thorough critical analysis, including contemporary reviews of the film, completes each entry.

Poe Abroad Lois Vines, 1999-09 Perhaps no one would be more shocked at the steady rise of his literary reputation—on a truly global scale—Than Edgar Allan Poe himself. Poe's literary reputation has climbed steadily since his death in 1849. In *Poe Abroad*, Lois Vines has brought together a collection of essays that document the American writer's influence on the diverse literatures—and writers—of the world. Over twenty scholars demonstrate how and why Poe has significantly influenced many of the major literary figures of the last 150 years. Part One includes studies of Poe's popularity among general readers, his influence on literary movements, and his reputation as a poet, fiction writer, and literary critic. Part Two presents analyses of the role Poe played in the literary development of specific writers representing many different cultures. *Poe Abroad* commemorates the 150th anniversary of Poe's death and celebrates his worldwide impact, beginning with the first literal translation of Poe into a foreign language, "The Gold-Bug" into French in 1845. Charles Baudelaire translated another Poe tale in 1848 and four years later wrote an essay that would make Poe a well-known author in Europe even before he achieved recognition in America. Poe died knowing only that some of his stories had been translated into French. He probably never would have imagined that his work would be admired and imitated as far away as Japan, China, and India or would have a lasting influence on writers such as Baudelaire, August Strindberg, Franz Kafka, Jorge Luis Borges, Julio Cortázar, and Tanizaki Junichiro. As we approach the sesquicentennial of his death, *Poe Abroad* brings together a timely one-volume assessment of Poe's influence throughout the world.

Scared Stiff Sara Latta, 2014-02-04 Fear is a primal human emotion, and it often plays an important role in keeping us safe from threats. It's part of our evolutionary makeup, after all. But fears can also spiral out of control, and if your perfectly reasonable fear of snakes swells to the point that you run screaming from every uncoiled hose, then (news flash!) you've got yourself a phobia. Phobias are as strange as they are diverse, but they actually have the power to teach us about who we are and where we came from. Sara Latta blends biology, psychology, history, and pop culture to provide a comprehensive account of fifty fears, from arachnophobia to zoophobia.

The Cutting Room Ellen Datlow, 2014-10-14 The credits have rolled, but the lights are still off. Something is lurking on the other side of the screen. There are dark secrets, starving monsters, and haunted survivors who refuse to be left on the cutting room floor. But that's okay, right? After all, everybody loves the movies.... Here are twenty-three terrifying tales, dark reflections of the silver screen from both sides of the camera. James Dean gets a second chance at life—and death. The Wicked Witch is out of Oz, and she's made some very unlucky friends. When God decides reality needs an editor, what—and

who—gets cut? These award-winning, bestselling authors will take you to the darkest depths of the theater and beyond.

Poe Ellen Datlow, 2009-01-06 To coincide with the 200th anniversary of the birth of Edgar Allan Poe, this anthology celebrates the depth and diversity of one of the most important figures in literature. Compiled by multi-award winning editor, Ellen Datlow, it presents some of the foremost talents of the genre, who have come together to reimagine tales inspired by Poe. Sharyn McCrumb, Lucius Shepard, Pat Cadigan, M. Rickert, and more, have lent their craft to this anthology, retelling such classics as *The Fall of the House of Usher*, *The Tell-Tale Heart* and *The Masque of the Red Death*, exploring the very fringes of the genre.
