Love Has Forgotten No One Gary R. Renard, 2014-10-08 Join Gary Renard, the best-selling author of *The Disappearance of the Universe* and *Your Immortal Reality*, for the final installment of his trilogy: a fascinating roller-coaster ride to the mysterious truth behind the modern spiritual masterpiece *A Course in Miracles*. His teachers, Ascended Masters Arten and Pursah, will take you on a whirlwind tour of the afterlife; teach you a method that will, with practice, melt away all of your past bad karma; and reveal the “missing ingredient” to the popular self-help techniques of today. This book will blow your mind and hand you the key to enlightenment . . . at the same time! In the end, you will discover that, indeed, Love has forgotten no one.

Licensed to Kill Barbara Every, 2012-12-26 Barb Every Wife, Mother, Grand Mother and Great Grand Mother with all these years and a host of experiences in observing and helping with all sorts of ailments and finding the old remedies of my mother and grand mother often times worked better than the drugs promoted by traditional doctors that only learn prescriptions and surgery in 8 years of Med. School. I started buying health books and monthly news letters by the dozens. When modern medicine nearly killed my dear husband, not once, but two different times, I knew something needed to be done to help others that are being sickened or killed by medicine (poisons). The book *Licensed To Kill* practically wrote itself it took barely over a week. The title of the book, the names of each chapter just fell into place. Even the cover design of prescription containers was done without much thought on my part. (Divine intervention?) The only addition was Chapter 9, *Here We Go Again*, which personally proved, one more time, what a natural cure (iodine) can do by regulating the pulse, and what medical drugs and procedures cannot do. I'm still reading health books and Newsletters. After all, Natural cures (with no side effects) have been around for literally thousands of years. Drugs and Prescriptions (with many side effects, including death, are relatively new). The Pharmaceutical Companies do not want you well. Why would they? They make their Big Bucks when you are ill and buying their Drugs.

Hydrogen Medicine Dr. Mark Sircus, 2021-06-15 This book will explore hydrogen gas, hydrogen water, oxygen (O2), and carbon dioxide (CO2). Combining these gases will usher in a new age of medicine where the impossible becomes possible.

Hydrogen is serious medicine, and so is oxygen and carbon dioxide. All three gases are nutritional and are of enormous help to people with pain, disease, and cancer. Hydrogen allows the body to function and breathe under stress. And it allows for quicker healing and recovery than when oxygen alone is used. The sicker a person is, the more they will experience the benefits of hydrogen. Hydrogen can be flooded into the body to put out the worst flames of inflammation and oxidative stress. The longer one wants to live, the more one supplements with these primary gases. The most powerful healing/medical/anti-aging device in the world is a hydrogen oxygen inhaler.

The Cancer Odyssey Margaret Brennan Bermel, MBA, 2011-03-10 Chemotherapy is the greatest fraud ever perpetrated upon the American public. This statement must reach the public consciousness. The Big Pharma-FDA complex must be exposed as a cartel colluding, not on curing cancer, but on generating profits. Does chemotherapy work? Maybe, sometimes, with some specific cancers. But very often, it does not work. The “best weapon” used in the “war on cancer” traces its genesis to mustard gas. The cancer may die, but the collateral damage is the patient’s life. Approximately 600,000 Americans die each year ostensibly from “cancer”—but are they actually dying from treatment? A very provocative question. Bill Henderson interviews Margaret Bermel about her new book called “The Cancer Odyssey.” Bill says, I really enjoyed your book. If everyone would read it BEFORE they get the cancer diagnosis (and go into fear orbit), the millions of unnecessary cancer deaths would end. Here is a direct link where you can listen to it or download it (plain mp3 audio file). <http://webtalkradio.net/?s=bill+henderson&task=search> How to Live Cancer Free - “The Cancer Odyssey” by Margaret
