

The Way Of The Heart

Jayem

The Way of the Heart Henri J. M. Nouwen, 1999-01-01 Tale on how can Christians live as God wants in today's world.

The Way of the Heart Jayem, 2014-08-05 'The Way of the Heart' is a collection of Jeshua's teachings, faithfully transcribed from the original channeled audio recordings. It forms the third volume of the five essential 'Way of Mastery' texts. Jeshua shares: The Way of the Heart... is that pathway that begins with a commitment to healing and awakening, and is founded on the premise that you are perfectly free at all times. And everything that is experienced has been by your choice. And at no time has there been any other cause. His invitation to us is to wake up from every illusion that we have ever been separate from God, and to remember the deepest Truth of who we are: Christ. This is the only authorized version, precisely it was first given and including the original question and answer sections. Nothing has been added in the transition from audio to text: no chapter titles appear, nor themes given to sub-sections - for He gave none. Read the first chapter in the book preview and experience the energy of these exquisite teachings for yourself!

The Way of the Heart Jeshua, 2022-01-07 'The Way of the Heart' is a collection of Jeshua's teachings, faithfully transcribed from the original channeled audio recordings. 12 lessons in total with question and answer sections. This book is the first volume in The Christ Mind Trilogy and forms part of the five essential 'Way of Mastery' texts. Within it Jeshua shares: The Way of the Heart... is that pathway that begins with a commitment to healing and awakening, and is founded on the premise that you are perfectly free at all times. The Way of the Heart Sofia Martinez del Campo, 2025-03-14 The Way of the Heart: The Power of Love Within You is an invitation to return home -to yourself, to the love that exists within and all around you, and to the interconnectedness of all life. In a world that often feels fast-paced and disconnected, this book offers a path to rediscover your natural essence, embrace your truth, and live from the wisdom of the heart. Through personal stories, reflective insights, and transformative practices, you will be guided to reconnect with the love that is already within you. You will learn how to stop fighting against

yourself, release fear, and use life's challenges as opportunities for self-understanding and fulfillment. As you remember the power of love within, clarity emerges, and a new way of being unfolds—one rooted in harmony with yourself, others, and Mother Earth. This book is for those who seek to cultivate a deeper connection with their essence, embrace love as a way of life, and walk the path of the heart with presence, courage, and grace.

The Intimate Way of Zen James Ishmael Ford, 2024-07-23 An intimate mystery encompasses you and tugs upon your heart—what does it mean to follow that tug across the arc of a spiritual life? Reflecting out of more than fifty years of practice in Zen Buddhism, Unitarian Universalism, and other contemplative traditions, James Ishmael Ford invites us into a journey through life's mysteries and the stages of spiritual development. Lightly structured by the archetypal Buddhist oxherding images, Ford's exploration is rooted in the Zen way while being deeply enriched by various strains of world mysticism. The book, sprinkled with insights and quotes from Buddhist, Daoist, and Christian traditions, serves as a map and a companion to spiritual seekers or pilgrims—whether within one religious tradition or cobbling together a way of one's own. "Here is the most natural of all natural experiences," writes Ford. "In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way."

The Way of the Heart D'hulst D'hulst,2018-01-21 Excerpt from The Way of the Heart: Letters of Direction The English translator submitted to the Church over ten years ago, and was by temperament, like Mgr. D'hulst's correspondent, a doubter. When matters reached a climax, he was so tortured for a time by mental and other dilemmas, that he despaired of retaining enough sanity to be accepted as a convert, enough stability to react against any tugging wave of Agnosticism but, from the day of his reception, unlike the correspondent, he has never once been troubled, amidst many and heavy troubles.
