The War for Heaven E. Sosebee,2015-04-26 Why, has thousands of books been issued about every conflict, battle and war ever fought, except the greatest one? Why? THE WAR FOR HEAVEN, where Satan was at one time the commanding leader for God's entire armies of heaven. That is until Satan informed God he wanted the same level of power as God. God of course denied Satan, which Satan became enraged with vindication and waited for some type of unjust intention to turn the other nineteen Archangels against God, which lead to Satan wanting the throne of Heaven from God. The time came soon, when God called His mighty Archangels together, and announced He was bringing another form of life into creation, and the Archangels were ordered by God to care for their growth and well being. That was Satan's first excuse to begin turning the other Archangels under his command against God to hopefully take over the throne of heaven itself. God got word of Satan's betrayal, so He stripped Satan of his rank, instructed Satan and his followers to leave heaven and turned command of His forces over to Michael. The battle lines were soon drawn, yet both sides knew just how destructive this war would be, for long ago God had empowered the Archangels' weapons with His own supernatural power. and once the first two blades crossed, the massive destruction in the land of eternal paradise it is almost too inconceivable for anyone to see or even hear of.

War in Heaven Charles Williams,2015-02-17 A satanic conspiracy threatens mankind when the Holy Grail is found in an English country church in this classic metaphysical thriller. An unidentified body lies lifeless in the offices of a British publishing house. Soon after it is discovered, an urgent request from an author arrives by post, pleading for the deletion of

an important paragraph from an upcoming publication. These unlikely incidents mark the beginning of a secret war waged in the English countryside but threatening to engulf all of humankind. On the side of the godly, an archdeacon, an eccentric duke, a book editor, and a young boy must confront the dark magic of relentless satanic forces—for behind the facade of a common pharmacy, sinister plans are being laid for the negation of everything. The most horrible of conspiracies, its success hangs on the acquisition of an object of enormous supernatural power recently discovered in a small parish church: the Holy Grail. Preceding *The Da Vinci Code* and the *Left Behind* novels by half a century, *War in Heaven* is the first novel written by Charles Williams, an esteemed member of the famed Oxford literary society known as the Inklings, which included such notables as C. S. Lewis, Owen Barfield, and J. R. R. Tolkien. This is a provocative, page-turning tale of faith, morality, and magic—an amalgam of thriller, fantasy, metaphysics, and theology that engages and entertains. This ebook includes a new introduction by Jonathan Ryan.

The Second War for Heaven E. Clifton Sosebee, 2015-06-05 This is the sequel to the first volume, *THE WAR FOR HEAVEN*. In my many hours of research for the 1st volume, I kept coming across another war for heaven, called, *THE SECOND WAR FOR HEAVEN*. So I looked it up, and the 2nd war for heaven is happening now during present day, due to the ongoing conflict between good and evil. I therefore wrote this complete fictional story where God during our time has finally had it with Satan's ongoing deceit and diseased influence over the Holy father's children here on earth, and commands Michael to wipe him out of existence completely this time, to order the Archangel Gabriel to use his celestial horn to signal everything in God's universe that the Apocalypse has now come, which means the final battle between good and evil grows near...The long awaited Battle of Armageddon. However, God informs Michael that prior to the final battle the pure and good mortal souls that still dwell upon the earth must be removed to His kingdom of eternal paradise. God then instructs Michael that God already knew which of the human souls were pure, and God would remove their souls from the earth to heaven. He also informed his commanding general that God already knew which mortal souls were too far corrupted by Satan, and they will remain on the earth and meet their fates after the final battle and will perish in some type of firestorm as foretold by all the ancient texts. However, God's last command to Michael was that there were some human mortal souls that even God Himself was uncertain of, due to their past choices of freewill. He therefore gives Michael His final command to send a certain amount of regular angels disguised as human beings down to earth, and have the angel put their assigned human souls through a life and death test. If the human soul risks his own life to save the angel, have the angel remove their soul and bring them to their eternal reward in God's land of eternal paradise. If the human soul does not risk his own life, and flees away to save themselves and leaves the testing angel behind, to just leave them on the earth to meet their fates of death. That is what this novel mostly consists of, short stories where these disguised angels put their designed human soul to the test, but you don't know who the angel is or the human being tested until the end of the chapter. While this term of

human trials is going on, Michael, along with his Archangel brothers, Gabriel, Raphael, Uriel and Azriel plan the final attack against Satan's massed forces in the final battle that takes place upon Israel's Mount Megiddo, which is how the name, Armageddon, came to be. Also, another unique aspect about these humans being tested are real-life names of my family and close friends, that allowed me the honor of using their real-life names as a fictional character name in these chapters where the angels put these certain set of human souls through a life and death test. The people I know that have read this novel said they had fun trying to determine who was the human being tested, and who was the angel testing them, hopefully as much fun as I did writing it.

The War in Heaven Kenneth Zeigler, 2009-07-28 Satan and his minions have declared war on the most beautiful planet in the universe his purpose is to depose Michael the archangel and become second only to God in command of all creation. Standing in Satan's way are a scattered and disorganized host of angels, a group of inexperienced saints, a small band of humans, and some angelic rebels in Hell. Armed with faith full power, Abaddon the Destroyer creates a formidable army to challenge the evil targeting Earth. Author of best selling Heaven and Hell, Kenneth Zeigler again draws from his research to create a realistic tale where science, the supernatural, and life and death teeter on the edge of eternal joy or damnation.

The War in Heaven Theodore Beale, 2002 Christopher Lewis is a boy with potential -- potential for great good...and for great evil. And no one knows that better than Kaym, an angel-lord with incredible power, hell-bent on storming the gates of Heaven. With an army of demons, devils, and dark princes at his side, Kaym needs just one more thing to begin his crusade: the immortal powers hidden within Christopher. But watching over Christopher is his guardian angel, Mariel. Armed with her flaming sword -- a marvelous instrument of righteous retribution -- and a cohort of angels, she will do everything in her power to protect Christopher and banish Kaym and his legions from the throne of the Most High. Filled with otherworldly creatures and all-out spiritual warfare, *The War in Heaven* establishes Theodore Beale as a rare talent who successfully blends the Christian and fantasy genres in a dazzling tale of faith and redemption.

The War In Heaven Austin Hepworth, 2018 The Book of Revelation in the Bible mentions a War in Heaven, a war that took place prior to this earth's existence. This War was waged by Lucifer against God, and has already included many spiritual casualties in its wake, including many who chose to follow Lucifer instead of God. Little is known about the actual details of this War, yet it offers potential to teach so much about the things of God we often struggle to understand. One soldier in the War is born into a world of hardship, a world where darkness penetrates the depths of his soul. It is only through gaining an understanding of the War, his own pre-mortal history, and principles such as faith and sacrifice that he can finally gain the strength he needs to overcome the darkness inside and rejoin the battle for God's most prized possession.

War in Heaven: Large Print Charles Williams, 2019-10-07 The Holy Grail mysteriously surfaces in an obscure country parish becoming a sacramental object to protect, or a vessel of power to exploit. Williams gives a contemporary setting to the traditional Grail quest, examining the distinction between magic and religion. War in Heaven is an eerily disturbing book, one that graphically portrays a metaphysical journey through the shadowy crevices of the human mind.

War in Heaven James Mason Jr., 2012-03-30 I am for peace: but when I speak, they are for war. Psalm 120:7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. Revelation 12:7-9

War in Heaven Derek Prince, 2015-01-06 Could spiritual warfare be an essential part of God's plan for each of us? It's a battle that's been going on since soon after the beginning of time. What began as one archangel's rebellion set the course for all of humanity, unleashing a war of epic proportions. The answers to the basic questions of evil are rooted in this battle, as is the significance of Jesus' stunning victory over Satan on the cross. This heavenly war is all-encompassing, and no part of life remains untouched by it. In this expanded edition of his classic text, bestselling author and Bible teacher Derek Prince explores the inner workings of this intense conflict. His accessible, in-depth exploration will help you identify the devil's unchanging tactics, seize your biblical weapons and learn to wage war against the forces of evil around you. Now includes study questions for even more in-depth study and application. Don't wait. It's time to take your place in the battle--and declare victory.

There Was War in Heaven... J L Ashton, 2020-01-19 War... in Heaven? How could that be? Isn't Heaven all peace and glory? The Bible tells us that all evil began in Heaven, in God's own presence! This mystery is fully explained in this small volume, including the repercussions that far away war that began long ago has had on the history of our planet. Something has gone terribly wrong in God's universe. When-and how-will God restore the order, peace, security and harmony that once governed his universe? If God is good, why did he allow suffering? How can he view the atrocities committed daily on earth without interfering? What really happened in the Garden of Gethsemane and on the Cross? Why did Jesus have to die, and why hasn't he returned to bring his promised kingdom of peace and righteousness? Who is the mysterious Antichrist, and what is the mark of the beast? Should you be concerned with identifying them? After careful consideration of this book's contents, you will understand the startling answers to these matters of highest importance-so important it took Jesus' death

on the Cross to explain them. Yet 2,000 years later, not only are the answers still not understood, the questions are not even raised. This book does not merely re-hash the classic battle between good and evil-even pagan religions have that. This book explores the true issues that divided God's family. This is no superficial study, but an in-depth delving that will bring you to a comprehension of the answers never before given so clearly-until now. In this small book you will find the key that unlocks the mysteries of the Bible. You must read it four or five times to even begin to comprehend these concepts. Embark on a serious exploration of the concepts of this book, and solve the questions for yourself!(Over 1,000 Scripture references!)

War In Heaven Charles Walter Stansby Williams,2020-03-31 The telephone bell was ringing wildly, but without result, since there was no-one in the room but the corpse.A few moments later there was. Lionel Rackstraw, strolling back from lunch, heard in the corridor the sound of the bell in his room, and, entering at a run, took up the receiver. He remarked, as he did so, the boots and trousered legs sticking out from the large knee-hole table at which he worked, but the telephone had established the first claim on his attention.Yes, he said, yes.... No, not before the 17th.... No, who cares what he wants?...No, who wants to know?...Oh, Mr. Persimmons. Oh, tell him the 17th.... Yes.... Yes, I'll send a set down.He put the receiver down and looked back at the boots. It occurred to him that someone was probably doing something to the telephone; people did, he knew, at various times drift in on him for such purposes. But they usually looked round or said something; and this fellow must have heard him talking. He bent down towards the boots.Shall you be long? he said into the space between the legs and the central top drawer; and then, as there was no answer, he walked away, dropped hat and gloves and book on to their shelf, strolled back to his desk, picked up some papers and read them, put them back, and, peering again into the dark hole, said more impatiently, Shall you be long?No voice replied; not even when, touching the extended foot with his own, he repeated the question. Rather reluctantly he went round to the other side of the table, which was still darker, and, trying to make out the head of the intruder, said almost loudly: Hallo! hallo! What's the idea? Then, as nothing happened, he stood up and went on to himself: Damn it all, is he dead? and thought at once that he might be.

War in Heaven Dr Derek Prince,2016-12-09 When God laid the foundations of the earth, the angels were watching. One angel would become the central figure in a rebellion to wrest God of His creation. Thus began a conflict of epic proportions that leaves us with many questions.
