Was God on Vacation? Jack Van Der Geest, 2002-04-01 Through the author's eyes we see the invasion of the Netherlands, home life under the Nazis, the Buchenwald death camp, the French Underground, D-Day with the American 101st Airborne Divisions, the liberation of France, Dutch Marine training in North Carolina and an unsettled peace in Asia after VJ day.

Was God on Vacation? Jack Van der Geest, 1999 Through the author's eyes we see the invasion of the Netherlands, home life under the Nazis, the Buchenwald death camp, the French Underground, D-Day with the American 101st Airborne Divisions, the liberation of France, Dutch Marine training in North Carolina and an unsettled peace in Asia after VJ day.

The Judge Who Thought He Was God C. E. Canfield, 2006-06-28 A young woman staggered into the lobby of a hospital, and collapsed on the floor. A baby girl is born to a mother who has lost her memory. A kindhearted police officer would befriend her and attempt to uncover the past she has lost or perhaps conveniently forgotten. She would take a job at the local courthouse where she becomes friends with a judge. The old judge would move on however, but their relationship would remain strong...and that strength would be tested. Now a new Judge, nothing like his predecessor, would be coming to town and he brings with him his own style of justice. His egomaniacal ways would make a mockery of the legal system and perhaps bring an entire state down...in *The Judge Who Thought He Was God*.

Vacation Bible School Gwen Holt, 2020-02-11 From the 1980s to the year 2019, things sure have changed. I have been blessed to be a part of such a time as this. Little did I know God would use my life to unfold the pages of this book. Just like the seasons are throughout a year, so are the seasons of our lives. If you were the pastor, the VBS director, a teacher, a kid, a song leader, a game leader, a craft leader, a way of transportation, or maybe you just offered up prayer or maybe you just laid out the cookies and Kool-Aid at VBS, this book is for you! All different ages, all different nationalities come together for one purpose. Some we win, some we lose. There are the highs and lows. There's laughter and tears, but we cannot afford to

give up on anyone. Are we willing to be the mothers and fathers or a friend to a parentless generation? Yes, we are! Go with me and bring back the memories of your VBS. Everyone's is different.

Prophet Of Rage Arthur Magida,1997-05-29 He preaches a dynamic message of African-American empowerment and self-reliance, offering discipline and hope to those most in need. At the same time, he outrages mainstream America with his fiery rhetoric and unrestrained criticism of whites, Jews, and Catholics, whom he blames for the ongoing oppression of blacks. He is the Reverend Louis Farrakhan, leader of the Nation of Islam, and his voice shakes the nation. Prophet of Rage penetrates the rhetoric that surrounds this enigmatic figure to reveal his personal story, tracing his life from his birth as Eugene Walcott in the Bronx through his childhood in Boston's Roxbury neighborhood, his training as a classical violinist, and his career as a calypso singer. It then follows his remarkable political career, recounting his indoctrination into the Nation of Islam, during which time he took the name "Louis X"; explaining his involvement with the assassination of Malcolm X; and chronicling his rise to power as a powerful orator, political leader, and self-proclaimed prophet.

Luther League Review ,1918

The Mind and Mood of Black America S. P. Fullinwider,1969 This is a study of the history of ideas; specifically, ideas held by black Americans. It is the first intellectual history book to break with the standard interpretation of black thought that has dominated the field since the 1920's and it is the first study to relate present- day protest to the protest thought of the past. Essentially, this book attempts to get behind the formal ideas to their origins in myth and social necessity; it does not attempt to restate the pattern formal ideas of black thought have taken. While this study does help to put some of the formal ideas into new perspective, the primary purpose of the book is to study myth itself: its origin and its influence in structuring the patterns formal ideas have taken.--Publisher.
