When the Night Falls Ruskin Bond, 2017-01-10 'I saw something-something horrible-a boy weeping in the forest-and he had no face!' 'No face, Sir?' 'No eyes, nose, mouth-nothing.' 'Do you mean it was like this, Sir?' asked the watchman, and raised the lamp to his own face. The watchman had no eyes, no ears, no features at all-not even an eyebrow! True horror surfaces from darkness only when the night falls! This goose-bumpy collection introduces you to some of the most terrifying ghost stories ever told-old manor house hauntings; a couple on a remote island, condemned to a doom of unimaginable horror; a dying woman's promise that she will be back to take her sisters when their time is up; a solitary walk through the woods in the evening and the terror it unfolds... Each story is sure to send a chill down your spine. So, dive under the covers and get ready to be spooked by the wild elements of the night!

Step Ahead 2 Textbook (Special/Express/NA) ,

As Night Falls Jenny Milchman, 2015-06-30 From the acclaimed author of *Ruin Falls* and *Cover of Snow* comes a breathless new novel of psychological suspense about a dark, twisted turn of events that could shatter a family—a read perfect for fans of Gillian Flynn, Chris Bohjalian, and Nancy Pickard. Sandy Tremont has always tried to give her family everything. But, as the sky darkens over the Adirondacks and a heavy snowfall looms, an escaped murderer with the power to take it all away draws close. In her isolated home in the shadowy woods, Sandy prepares dinner after a fight with her daughter, Ivy. Upstairs, the fifteen-year-old—smart, brave, and with every reason to be angry tonight—keeps her distance

from her mother. Sandy's husband, Ben, a wilderness guide, arrives late to find a home simmering with unease. Nearby, two desperate men on the run make their way through the fading light, bloodstained and determined to leave no loose ends or witnesses. After almost twenty years as prison cellmates, they have become a deadly team: Harlan the muscle, Nick the mind and will. As they approach a secluded house and look through its windows to see a cozy domestic scene, Nick knows that here he will find what he's looking for . . . before he disappears forever. Opening the door to the Tremont home, Nick brings not only a legacy of terror but a secret that threatens to drag Sandy with him into the darkness. Praise for *As Night Falls* "Electric . . . Jenny Milchman mixes psychological thrills with adventure . . . to shoot her readers with an extreme jolt of adrenaline. . . . Milchman's talent for building atmosphere will have readers wondering if they're shivering from the story's excitement or northern New York's winter cold."—Shelf Awareness (starred review) "Great psychological thrillers work on two levels: as action-based mysteries and as emotionally resonant personal stories. Jenny Milchman balances both . . . with equal intensity. . . . You may not be able to finish [*As Night Falls*] in one sitting, but you'll want to."—BookPage "Gripping . . . a fast-paced tale that should keep readers eagerly turning pages."—Publishers Weekly

The Verso Book of Feminism Jessie Kindig, 2020-10-20 An unprecedented collection of feminist voices from four millennia

of global history Throughout written history and across the world, women have protested the restrictions of gender and the limitations placed on women's bodies and women's lives. People-of any and no gender-have protested and theorized, penned manifestos and written poetry and songs, testified and lobbied, gone on strike and fomented revolution, quietly demanded that there is an I and loudly proclaimed that there is a we. The Book of Feminism chronicles this history of defiance and tracks it around the world as it develops into a multivocal and unabashed force. Global in scope, The Book of Feminism shows the breadth of feminist protest and of feminist thinking, moving through the female poets of China's Tang Dynasty and accounts of indigenous women in the Caribbean resisting Columbus's expedition, British suffragists militating for the vote and the revolutionary petroleuses of the 1848 Paris Commune, the first century Trung sisters who fought for the independence of Nam Viet to women in 1980s Botswana fighting for equal protection under the law, from the erotica of the 6th century and the 19th century to radical queer politics in the 20th and 21st. The Book of Feminism is a weapon, a force, a lyrical cry, and an ongoing threat to misogyny everywhere.
