365 Days of Hope Susan Parry-Jones, 2015-12-14 For survivors of traumatic experiences like abuse, the goal is to forget. But like a beach ball that we try to hold under the water, things keep bubbling up. We get triggered. Memories won't fade. The past refuses to stay in the past. Recovery is a personal journey towards wellness that involves intense work allowing pain to surface, allowing grieving to occur, and learning new ways of looking at ourselves and our pasts. 365 Days of Hope is a refreshingly honest book that is like taking a walk through the recovery journey with a friend beside you offering insight, support, and encouragement because he or she knows the journey. Set out in 365 stand-alone sections, this book builds from basic ideas about finding support and learning how to take care of yourself to dealing with gritty issues like identity, sexuality, grief, and becoming your own hero. It helps survivors learn skills like learning to use positive affirmations and managing negative self-talk. It is practical and thought provoking and invites readers to participate in their own recovery process. We all need a little hope, and this book is about providing survivors of abuse with 365 days filled with hope for their own recovery journey.

Tribulation of Heroes Jay L. Young, 2009-01-12 There was a reason why Lucifer and his followers believed their assault on Heaven could succeed. There is a reason why the city of Sanctuary remains hidden... The words spoken by the Facet Angel millennia ago have plunged No Argentar and the other members of the Faction into a world of mystery. The dark gods are maneuvering silently towards an unthinkable goal, but will the Faction be their adversary or their unwitting tool? The Anaii, an alien race dwelling in Sanctuary, have chosen to reveal themselves fully to Sabrina. Through their story, she becomes aware of a link between their history, the origins of the dark gods, and her own evolving powers. All of Creation awaits her true awakening. Even as No struggles to maintain unity and discipline within the Faction, the group of heroes find themselves swept up in the war between Good and Evil that is consuming the world around them, and unforeseen battles threaten to scatter the Faction forever. In a landscape of vengeance and betrayal, the remnant of the Faction must risk everything as the dark gods finally make their move. But the ultimate victory weighs balanced in the heart of the greatest Spirit Warrior in history - Walter Wilson.
